

Department of State

§ 41.107

unless the case falls within the provisions of § 41.21(b).

[52 FR 42597, Nov. 5, 1987, as amended at 56 FR 30428, July 2, 1991; 61 FR 1522, Jan. 22, 1996; 61 FR 53058, Oct. 10, 1996]

§ 41.105 Supporting documents and fingerprinting.

(a) *Supporting documents*—(1) *Authority to require documents*. The consular officer is authorized to require documents considered necessary to establish the alien's eligibility to receive a nonimmigrant visa. All documents and other evidence presented by the alien, including briefs submitted by attorneys or other representatives, shall be considered by the consular officer.

(2) *Unobtainable documents*. If the consular officer is satisfied that a document or record required under the authority of this section is unobtainable, the consular officer may accept satisfactory alternative pertinent evidence. A document or other record shall be considered unobtainable if it cannot be procured without causing the applicant or a member of the applicant's family actual hardship as distinct from normal delay and inconvenience.

(3) *Photographs required*. Every applicant for a nonimmigrant visa must furnish a photograph in such numbers as the consular officer may require. Photographs must be a reasonable likeness, 1½ by 1½ inches in size, unmounted, and showing a full, front-face view of the applicant against a light background. At the discretion of the consular officer, head coverings may be permitted provided they do not interfere with the full, front-face view of the applicant. The applicant must sign (full name) on the reverse side of the photographs. The consular officer may use a previously submitted photograph, if he is satisfied that it bears a reasonable likeness to the applicant.

(4) *Police certificates*. A police certificate is a certification by the police or other appropriate authorities stating what, if anything, their records show concerning the alien. An applicant for a nonimmigrant visa is required to present a police certificate if the consular officer has reason to believe that a police or criminal record exists, except that no police certificate is required in the case of an alien who is

within a class of nonimmigrants classifiable under visa symbols A-1, A-2, C-3, G-1 through G-4, NATO-1 through NATO-4 or NATO-6.

(b) *Fingerprinting*. The consular officer may require an alien making a preliminary or informal application for a visa to have a set of fingerprints taken on Form AR-4, Alien Registration Fingerprint Chart, if the officer considers this necessary for the purposes of identification and investigation. Consular officers may use the fingerprint card in order to ascertain from the appropriate authorities whether they have information pertinent to the applicant's eligibility to receive a visa.

§ 41.106 Processing.

Consular officers must ensure that Form OF-156, Nonimmigrant Visa Application, is properly and promptly processed in accordance with the applicable regulations and instructions.

§ 41.107 Visa fees.

(a) *Fees based on reciprocity*. The fees for the issuance of visas, including official visas, to nonimmigrant nationals or stateless residents of each foreign country shall be collected in the amounts prescribed by the Secretary of State unless, on the basis of reciprocity, no fee is chargeable. If practicable, fees will correspond to the total amount of all visa, entry, residence, or other similar fees, taxes or charges assessed or levied against nationals of the United States by the foreign countries of which such nonimmigrants are nationals or stateless residents.

(b) *Fees when more than one alien included in visa*. A single nonimmigrant visa may be issued to include all eligible family members if the spouse and unmarried minor children of a principal alien are included in one passport. Each alien must execute a separate application. The name of each family member shall be inserted in the space provided in the visa stamp. The visa fee to be collected shall equal the total of the fees prescribed by the Secretary of State for each alien included

in the visa, unless upon a basis of reciprocity a lesser fee is chargeable.

(c) *Certain aliens exempted from fees.*

(1) Upon a basis of reciprocity, or as provided in section 13(a) of the Headquarters Agreement with the United Nations (61 Stat. 716; 22 U.S.C. 287, Note), no fee shall be collected for the application for or issuance of a nonimmigrant visa to an alien who is within a class of nonimmigrants classifiable under the visa symbols A, G, C-2, C-3, or NATO, or B-1 issued for participation in an official observer mission to the United Nations, or who is issued a diplomatic visa as defined in § 41.26.

(2) The consular officer shall waive the nonimmigrant visa application and issuance fees for an alien who will be engaging in charitable activities for a charitable organization upon the written request of the charitable organization claiming that it will find the fees a financial burden, if the consular officer is satisfied that:

(i) The organization seeking relief from the fees is, if based in the United States, tax-exempt as a charitable organization under the provisions of section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)); if a foreign organization based outside the United States in a country having laws according recognition to charitable institutions, that it establishes that it is recognized as a charitable institution by that government; and if a foreign organization based in a country without such laws, that it is engaged in activities substantially similar to those underlying section 501(c)(3), and

(ii) The charitable activities in which the alien will engage are specified and will be a part of, or will be related to and in support of, the organization's provision of services, including but not limited to health care, food and housing, job training, and similar direct services and assistance to the poor and needy, and

(iii) The request includes the location of the proposed activities, the number and identifying data of each of the alien(s) who will be applying for visas, and

(iv) The proposed duration of the alien(s)'s temporary stay in the United States is reasonably consistent with the charitable purpose for which the

alien(s) seek to enter the United States.

(d) *Refund of fees.* A fee collected for the issuance of a nonimmigrant visa is refundable only if the principal officer at a post or the officer in charge of a consular section determines that the visa was issued in error or could not be used as a result of action taken by the U.S. Government for which the alien was not responsible and over which the alien had no control.

(e) *Visa processing surcharge.* In addition to the collection of the fee prescribed in paragraph (a) of this section, a consular officer shall collect or ensure the collection of a surcharge for the processing of applications for machine readable nonimmigrant visas and for machine readable combined border crossing cards in the amount specified by the Secretary of State from such applicants as the Secretary of State shall designate. Such surcharge is refundable only if, as a result of action taken by the U.S. Government for which the alien was not responsible and over which the alien had no control, the alien's application is not processed.

§ 41.108 Medical examination.

(a) *Requirements for medical examination.* An applicant for a nonimmigrant visa shall be required to take a medical examination if:

(1) The alien is an applicant for a K nonimmigrant visa as a fiance(e) of a U.S. citizen or as the child of such an applicant; or,

(2) The alien is seeking admission for medical treatment and the consular officer considers a medical examination advisable; or,

(3) The consular officer has reason to believe that a medical examination might disclose that the alien is medically ineligible to receive a visa.

(b) *Examination by panel physician.* The required examination, which must be carried out in accordance with United States Public Health Service regulations, shall be conducted by a physician selected by the alien from a panel of physicians approved by the consular officer or, if the alien is in the
