§ 42.66 Medical examination.

(a) *Medical examination required of all applicants.* Before the issuance of an immigrant visa, the consular officer shall require every alien, regardless of age, to undergo a medical examination in order to determine eligibility to receive a visa.

(b) *Examination by physician from approved panel.* The required examination shall be conducted in accordance with requirements and procedures established by the United States Public Health Service and by a physician selected by the alien from a panel of physicians approved by the consular officer.

(c) *Facilities required for panel physician.* A consular officer shall not include the name of a physician on the panel of physicians referred to in paragraph (b) of this section unless the physician has facilities to perform required serological and X-ray tests or is in a position to refer applicants to a qualified laboratory for such tests.

§ 42.67 Execution of application, registration, and fingerprinting.

(a) *Execution of visa application—(1) Application fee.* A fee is prescribed for each application for an immigrant visa. It shall be collected prior to the execution of the application and a receipt shall be issued.

(2) *Oath and signature.* The applicant shall be required to read the Form OF-230, Application for Immigrant Visa and Alien Registration, when it is completed, or it shall be read to the alien in the alien's language, or the alien otherwise informed of its full contents. Aliens shall be asked whether they are willing to subscribe thereto. If the alien is not willing to subscribe to the application unless changes are made in the information stated therein, the required changes shall be made. The ap-

plication shall then be sworn to or affirmed and signed by or on behalf of the applicant before a consular officer, or a designated officer of the American Institute of Taiwan, who shall then sign the application over the officer's title.

(b) *Registration.* Form OF-230, when duly executed, shall constitute the alien's registration record for the purposes of INA 221(b).

(c) *Fingerprinting.* An alien may be required at any time prior to the execution of Form OF-230 to have a set of fingerprints taken if such procedure is necessary for purposes of identification or investigation.

[52 FR 42613, Nov. 5, 1987, as amended at 55 FR 29015, July 17, 1990; 56 FR 49682, Oct. 1, 1991]

§ 42.68 Informal evaluation of family members if principal applicant precedes them.

(a) *Preliminary determination of visa eligibility.* If a principal applicant proposes to precede the family to the United States, the consular officer may arrange for an informal examination of the other members of the principal applicant's family in order to determine whether there exists at that time any mental, physical, or other ground of ineligibility on their part to receive a visa.

(b) *When family member ineligible.* In the event the consular officer finds that any member of such family would be ineligible to receive an immigrant visa, the principal applicant shall be informed and required to acknowledge receipt of this information in writing.

(c) *No guarantee of future eligibility.* A determination in connection with an informal examination that an alien appears to be eligible for a visa carries no assurance that the alien will be issued an immigrant visa in the future. The principal applicant shall be so informed and required to acknowledge receipt of this information in writing. The question of visa eligibility can be determined definitively only at the time the family member applies for a visa.
