

§ 171.12

22 CFR Ch. I (4-1-01 Edition)

(8) Records contained in or related to examination, operation, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions.

(9) Geological or geophysical information and data, including maps, concerning wells.

(b) Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of the portions which are exempt under paragraph (a) of this section. Normally a portion of a record shall be considered reasonably segregable when segregation can produce an intelligible record which is not distorted out of context and does not contradict the record being withheld.

§ 171.12 Time limits/expedited processing.

(a) Whenever possible, the Department will furnish the requested records within 20 days (excluding Saturdays, Sundays, and legal public holidays), except as cited in §171.4.

(b) A separate queue shall be established for requests meeting the test for expeditious processing. Requests for expedited processing shall be granted to the requester after the requester has demonstrated that a compelling need exists. A notice of the determination as to whether to grant expedited processing shall be provided to the requester within ten (10) days of the date of the request. The request for expedited processing shall set forth with specificity the relevant facts upon which the requester relies and demonstrate to the Department that substantive records relevant to the stated needs may exist and be deemed releasable.

(c) A “compelling need” is deemed to exist where the requester can demonstrate one of the following:

(1) Failure to obtain requested information on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;

(2) The information is urgently needed by an individual primarily engaged

in disseminating information in order to inform the public concerning actual or alleged Federal Government activity. News media requesters would normally qualify; however, other persons must demonstrate that their primary activity involves publishing or otherwise disseminating information to the public, not just a particular segment or group.

(i) *Urgently needed.* The information has a particular value that will be lost if not disseminated quickly. Ordinarily this means a breaking news story of general public interest. However, information of historical interest only, or information sought for litigation or commercial activities would not qualify, nor would a news media publication or broadcast deadline unrelated to the newsbreaking nature of the information;

(ii) *Actual or alleged Federal Government activity.* The information concerns some actions taken, contemplated, or alleged by or about the government of the United States, or one of its components or agencies, including the Congress;

(3) Substantial due process rights of the requester would be impaired by the failure to process immediately; or

(4) Substantial humanitarian concerns would be harmed by the failure to process immediately.

(d) A demonstration of compelling need by a requester shall be made by a statement certified by the requester to be true and correct to the best of their knowledge. This statement must accompany the request in order to be considered and responded to within the ten (10) days required for decisions on expedited access.

(e)(1) The Department’s decision to deny expedition may be appealed to the Chief of the Requester Liaison Division, Room 1512, Department of State, 2201 C Street, NW., Washington, D.C. 20520. Appeals should contain as much information and documentation as possible to support the request for expedited processing in accordance with the criteria set forth in paragraph (c) of this section.

(2) The Requester Liaison Division Chief will issue a final decision in writing within ten (10) days from the date

§ 171.13 Fees.

(a) In addition to fees cited in §171.6, the following shall be applicable with respect to services rendered to members of the public under this subpart:

(1) The following is the range of categories and average grade levels for employees within each category who perform the search and review functions involved in responding to a FOIA request:

(i) Administrative/clerical (to include GS-1 through GS-8 or FS-9): GS-5/5 or FS-9/1.

(ii) Professional (to include GS-9 through GS-13 or FS-5 through FS-2): GS-11/5 or FS-4/4.

(iii) Executive (to include GS-14 through SES or FS-2 through SFS): GS-15/1 or FS-1/1.

(2) The salary rates for these categories will be calculated based on the rates published on the "Department of State Salary Chart" effective at the time that the function was actually performed; copies of this chart are available in the Public Reading Room. The actual fee schedule for each category will be included in the Department's acknowledgment letter.

(3) The costs for manual search include the salary of the category of the employee who actually performed the search function (as provided in paragraph (a)(1) of this section) above plus an additional 16 percent of that rate to cover benefits.

(4) The cost for computer searches will be calculated based on the salary of the category of the employee who actually performed the computer search (as provided in paragraph (a)(1) of this section) plus 16 percent of that rate to cover benefits, in addition to the direct costs of the central processing unit, input-output devices, and memory capacity of the actual computer configuration.

(5) Only requesters who are seeking documents for commercial use will be charged for time spent reviewing records to determine whether they are exempt from mandatory disclosure. The cost for review will be calculated based on the salary of the category of

the employee who actually performed the review (as provided in paragraph (a)(1) of this section) plus 16 percent of the rate to cover benefits. Charges will be assessed only for the initial review (i.e., review undertaken the first time in order to analyze the applicability of specific exemption(s) to a particular record or portion of a record) and not for review at the administrative appeal level of the exemption(s) already applied.

(6) If records requested under this subpart are stored elsewhere than the headquarters of the Department of State at 2201 C Street, NW., Washington, DC, the special cost of returning such records to the headquarters shall be included in the search costs. These costs will be computed at the actual costs of transportation of either a person or the requested record between the place where the record is stored and Department headquarters when, for time or other reasons, it is not feasible to rely on Government mail service or diplomatic pouch.

(7) When no specific fee has been established for a service, or the request for a service does not fall under one of the above categories due to the amount or size or type thereof, the Information and Privacy Coordinator is authorized to establish an appropriate fee, pursuant to the criteria established in Office of Management and Budget Circular No. A-25, entitled "User Charges."

(b) Where it is anticipated that the fees chargeable under this subpart will amount to more than \$25 and the requester has not indicated in advance her/his willingness to pay fees as high as anticipated, the requester shall be promptly notified of the amount of the anticipated fees or such portion thereof as can readily be estimated. The notice or request for an advance deposit shall extend an offer to the requester to confer with knowledgeable Departmental personnel in an attempt to reformulate the request in a manner which will reduce the fees and meet the needs of the requester. Dispatch of such a notice or request shall suspend the running of the period for response by the Department until a reply is received from the requester.

(c) Search costs are due and payable even if the record which was requested
