§ 228.55

§ 228.52 Suppliers of commodities.

Geographic code changes authorized by waiver with respect to the source of commodities automatically apply to the nationality of their suppliers. A waiver to effect a change in the geographic code only with respect to the nationality of the supplier of commodities, but not in the source of the commodities, may be sought if the situation requires it based on the appropriate criteria in § 228.51.

§ 228.53 Suppliers of services—privately owned commercial suppliers and nonprofit organizations.

Waiver criteria. Any waiver must be based upon one of the criteria listed in this section. Waivers to Geographic Code 899 or Code 935 which are justified under paragraph (b) or (c) of this section may only be authorized on a case-by-case basis. A waiver may be authorized when:

(a) Services required for assistance are of a type that are not available for purchase in the United States; in addition, for waivers to any country or Geographic Code beyond Code 941 and the cooperating country, the services are of a type that are not available for purchase in any country in Code 941 or the cooperating country.

(b) It is necessary to permit procurement in a country not otherwise eligible in order to meet unforeseen circumstances, such as emergency situations.

(c) It is necessary to promote efficiency in the use of United States foreign assistance resources, including to avoid impairment of foreign assistance objectives.

(d) For waivers to authorize procurement from Geographic Code 941 or the cooperating country:

(1) There is an emergency requirement for which non-USAID funds are not available and the requirement can be met in time only from suppliers in a country or area not included in the authorized geographic code.

(2) No suppliers from countries or areas included in the authorized geographic code are able to provide the required services.

(3) Persuasive political considerations.

(4) Procurement of locally available services would best promote the objectives of the foreign assistance program.

(5) Such other circumstances as are determined to be critical to the achievement of project objectives.

(b) The competition for obtaining a contract will be open to firms from countries or areas included in the authorized geographic code and eligible under the provisions of §§ 228.31 or 228.32, and it has been demonstrated that no U.S. firm is interested in competing for the contract.

(c) Services are not available from any other source.

(d) Foreign policy interests of the United States outweigh any competitive disadvantage at which United States firms might be placed or any conflict of interest that might arise by permitting a foreign government-owned organization to compete for the contract.

§ 228.55 Delivery services.

(a) Ocean transportation. A waiver to expand the flag eligibility requirements to allow the use of vessels under flag registry of the cooperating country, or Geographic Code 899 or 935 countries may be authorized under the circumstances provided for in this section.
