Topics

- **Integrating the RLG Union Catalog**
- **Authority history**
- **Upcoming Connexion enhancements**
- **Transitioning NACO activity**
- **Transition BIBCO activity**
- **Questions**

Integrating the RLG Union Catalog

- **Loading primary cluster records from RLG into WorldCat**
 - Nearly 50 million records
 - Some will be original records added to WorldCat
 - Some will include data that will be merged into existing WorldCat master records
 - Some existing master records will be replaced at a later time
 - Holdings and institution records will be added at a later time

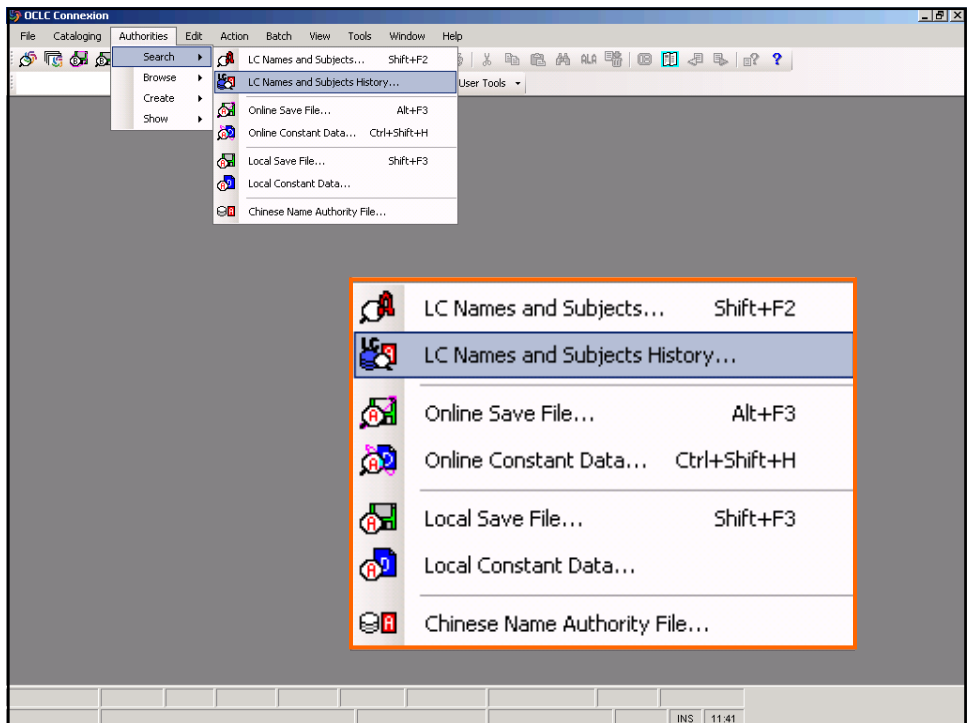

Authority history functionality

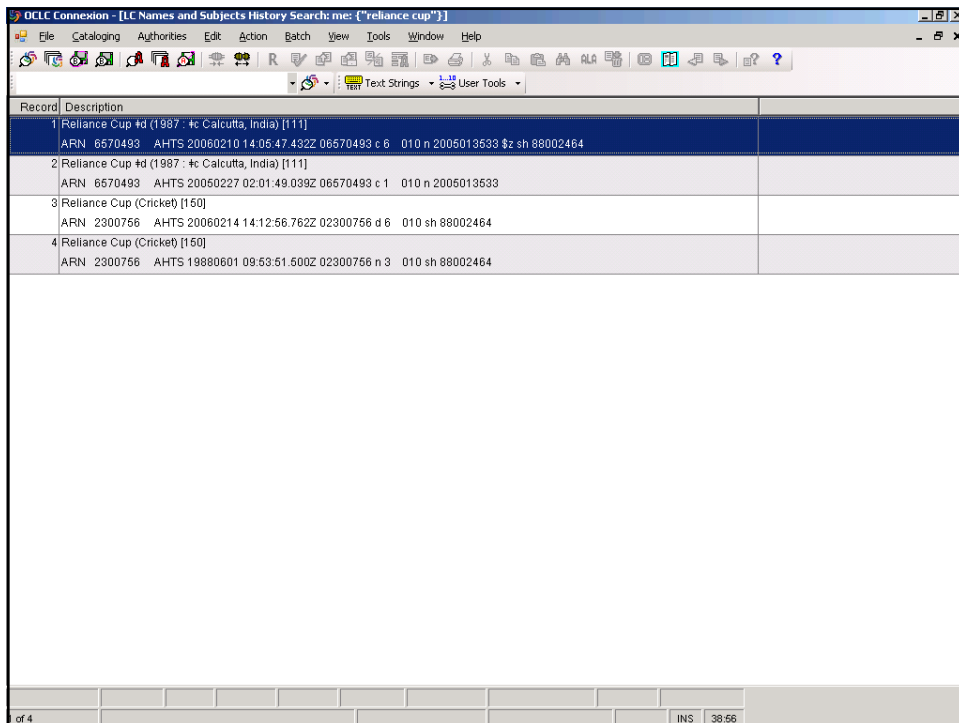

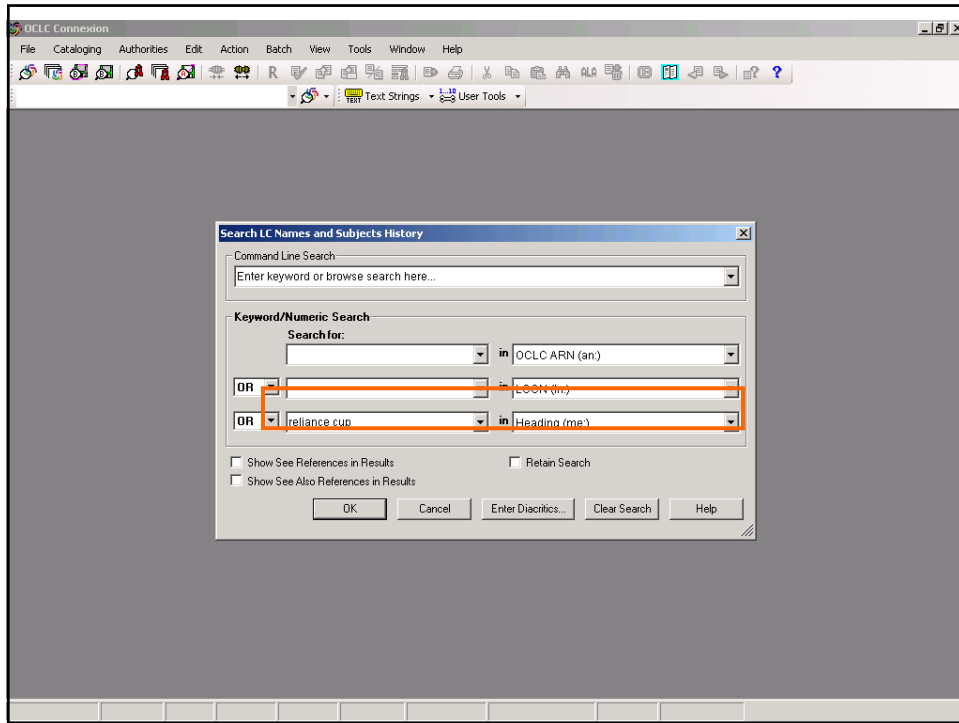

- **View superseded versions of records for LC Names and Subjects**
- **Connexion browser and client (version 1.70)**
- **Search and browse**
- **Navigate between current version and superseded versions**

OCLC Online Computer Library Center

Authority history database

- Authority History is a separate database from Authorities
- Authority History uses separate and different indexes and indexing than Authorities
- Comprised of read-only copies of authority records
- Copy/paste is supported, as is printing authority history records
- Recently added 3,958,714 million superseded authority records from RLG

Replace date and TimeStamp

Replace Date

- 005 field assigned by the Library of Congress
- 'New' records do not have a replace date until they are issued in the contribution file

TimeStamp

- AHTS (Authority History TimeStamp)
- Assigned by OCLC
- Not part of the 'master' record
- Only visible on the display of a record in the Authority History database
