

§ 1300.14

(b) The loan amount guaranteed to a single air carrier may not exceed that amount that, in the Board's sole discretion, the air carrier (or its successor) needs in order for it to provide commercial air services.

§ 1300.14 Guarantee percentage.

A guarantee issued by the Board must be less than 100 percent of the amount of principal and accrued interest of the loan guaranteed.

§ 1300.15 Loan terms.

(a) A loan guaranteed under the program shall be due and payable in full no later than seven years from the date on which the first disbursement of the loan is made.

(b) Loans guaranteed under the program must bear a rate of interest determined by the Board to be reasonable. In determining the reasonableness of an interest rate, the Board shall consider the percentage of the guarantee, any collateral, other loan terms, and current average yields on outstanding obligations of the United States with maturity comparable to the term of the loan guaranteed. The Board may reject an application to guarantee a loan if it determines the interest rate on such loan to be unreasonable.

(c) An eligible lender may assess and collect from the borrower such other fees and costs associated with the application and origination of the loan as are reasonable and customary, taking into consideration the amount and complexity of the credit. The Board may take such other fees and costs into consideration when determining whether to offer a guarantee to the lender.

§ 1300.16 Application process.

(a) Applications are to be submitted by the borrower. Borrowers may submit applications to the Board any time after October 12, 2001 through June 28, 2002. All applications must be received by the Board no later than 5 p.m. EDT, June 28, 2002, in the Board's offices. Borrowers should submit an original application and four copies.
