

property loss or damage in quarters occupied by the claimant within the 50 States or the District of Columbia that were not assigned to claimant or provided in kind by the United States.

(b) *Money or currency.* Claims may not be allowed for loss of money or currency, except when lost incident to fire, flood, hurricane, other natural disaster, or by theft from quarters (as limited by paragraph (a)). Reimbursement for loss of money or currency is limited to an amount which is determined reasonable to have been in the claimant's possession at the time of the loss.

(c) *Government property.* Claims may not be allowed for property owned by the United States, except that for which the claimant is financially responsible to any agency of the Government other than NASA.

(d) *Business property.* Claims may not be allowed for property used in a private business enterprise.

(e) *Articles of extraordinary value.* Claims may not be allowed for valuable articles, such as cameras, watches, jewelry, furs, or other articles of extraordinary value, when shipped with household goods or as unaccompanied baggage (shipment includes storage). This prohibition does not apply to articles in the personal custody of the claimant or articles properly checked: *Provided*, That reasonable protection or security measures have been taken by claimant.

(f) *Unserviceable property.* Claims may not be allowed for worn-out unserviceable property.

(g) *Illegal possession.* Claims may not be allowed for property acquired, possessed, or transported in violation of law or in violation of applicable regulations or directives.

(h) *Estimate fees.* Claims may not include fees paid to obtain estimates or repair, except when it is clear that an estimate could not have been obtained without paying a fee.

(i) *Automobiles and other vehicles.* Claims may not be allowed for damage to, or loss of, automobiles and other vehicles unless:

(1) The vehicles were required to be used for official Government business (official Government business, as used here, does not include travel between quarters and place of duty, parking of

vehicles incident to such travel, or use of vehicles for the convenience of the owner); or

(2) Shipment of motor vehicles to, from, or between overseas areas was being furnished or provided by the Government; or

(3) The damage or loss was caused by the negligent or wrongful act or omission of any employee of the Government acting within the scope of office or employment.

§ 1261.106 Submission of claims.

All claims shall be submitted in duplicate to the Administrator or designee on NASA Form 1204, "Employee's Claim for Damage to, or Loss of, Personal Property Incident to Service."

§ 1261.107 Evidence in support of claim.

(a) *General.* In addition to the information required on NASA Form 1204, and any other evidence required by the Administrator or designee, the claimant will furnish the following evidence when relevant:

(1) A corroborating statement from the claimant's supervisor or other person or persons having personal knowledge of the facts concerning the claim.

(2) A statement of any property recovered or replaced in kind.

(3) An itemized bill of repair for property which has been repaired, or one or more written estimates of the cost of repairs from competent persons if the property is repairable but has not been repaired.

(b) *Specific classes of claims.* Claims of the following types shall also be accompanied with specific and detailed evidence as indicated:

(1) *Theft, burglary, etc.* A statement describing in detail the location where the loss occurred and the facts and circumstances surrounding the loss, including supporting documentation, e.g., a police report.

(2) *Transportation losses.* A copy of orders authorizing the travel, transportation or shipment, or a certificate explaining the absence of such orders and stating their substance; all bills of lading and inventories of property shipped; and a statement indicating the condition of the property when

turned over to the carrier and when received from the carrier.

§ 1261.108 Recovery from carriers, insurers, and other third parties.

(a) *General.* NASA is not an insurer and does not underwrite all personal property losses that an employee may sustain. Employees are encouraged to carry private insurance to the maximum extent practicable to avoid large losses or losses which may not be recoverable from NASA. The procedures set forth in this section are designed to enable the claimant to obtain the maximum amount of compensation for personal property loss or damage. Failure of the claimant to comply with these procedures may reduce or preclude payment of the claim.

(b) *Demand on carrier, contractor, warehouse owner/operator, or insurer.* When it appears that property has been damaged or lost under circumstances in which a carrier, warehouse owner/operator, contractor or insurer may be responsible, the claimant shall make a written demand on such party, either before or after submitting a claim against NASA. The Administrator or designee, if requested, will assist in making demand on the third party. No such demand need be made if, in the opinion of the Administrator or designee, it would be impracticable or any recovery would be insignificant, or if circumstances preclude the claimant from making timely demand.

(c) *Action subsequent to demand.* A copy of the demand and of any related correspondence shall be submitted to the Administrator or designee. If the carrier, insurer, or other third party offers a settlement which is less than the amount of the demand, the claimant shall consult with the Administrator or designee before accepting the amount offered. The claimant shall also notify the Administrator or designee promptly of any other action by a third party, including settlement, partial settlement, or denial of liability.

(d) *Application of recovery.* When the amount recovered from a carrier, insurer, or other third party is greater than or equal to the claimant's total loss as determined under this subpart, no compensation is allowable under

this subpart. When the amount recovered is less than such total loss, the allowable amount is determined by deducting the recovery from the amount of total loss subject to the maximum set forth in § 1261.102.

(e) *Transfer of rights.* The claimant shall assign to the United States, to the extent of any payment accepted on a claim, all rights, title, and interest in any claim he/she may have against any carrier, insurer, or other party arising out of the accident or incident on which the claim against the United States is based. The claimant shall also, upon request, furnish such evidence and other cooperation as may be required to enable the United States to enforce the claim. After payment on the claim by the United States, the claimant shall, upon receipt of any payment from a carrier, insurer, or other party, notify the Administrator or designee and pay the proceeds to the United States to the extent required under the provisions of paragraph (d).

§ 1261.109 Computation of allowance.

(a) The amount allowed for damage to or loss of any item of property may not exceed the cost of the item (either the price paid in cash or property, or the value at the time of acquisition if not acquired by purchase or exchange). There will be no allowance for replacement cost or for appreciation in the value of the property. Subject to these limitations, the amount allowable is either:

(1) The depreciated value, immediately prior to the loss or damage of property lost or damaged beyond economical repair, less any salvage value; or

(2) The reasonable cost of repairs, when property is economically repairable: Provided, That the cost of repairs does not exceed the amount allowable under paragraph (a)(1) of this section.

(b) Depreciation in value is determined by considering the type of article involved, its cost, its condition when damaged or lost, and the time elapsed between the date of acquisition and the date of damage or loss, with appropriate recognition of current replacement value.

(c) *Limitation on agent or attorney fees.* No more than 10 per centum of the
