

Dec 20th

Sight at the Lacy house -

At the foot of tree, immediately
in front a heap of feet, legs,
arms, and human fragments cut,
bloody, black and blue, swelled,
and sickening - in the garden
near a row of graves; some distance
back, a little while afterwards,
I saw a long row of them

The walk along the Rappahannock
in front a pleasant shore and
water, with trees. - See that old
town over there - how splintered,
burstled, crumbled the houses - some
with their chimneys ~~in~~ thrown down

The hospitals - the man with
his mouth blown out

The balloon
