Subject: Comments on FAR Case 2004-021

08/02/2005 01:41 PM

Ms. Duarte, DEA submits the following comments:

7.302(a)(4) and 52.207-1(d) reference "contest(s)"... Should that be "protest(s)"?

The language in 52.207-1(c) conflicts with 52.207-2©: One says the contract will be awarded if the performance decision favors a private section offeror. The other says the CO shall either issue a contract or a competitive solicitation if the performance decision favors private sector performance.

Please call me if you care to discuss these comments.
