(A) Within 14 days after the date the institution sends the notice described in paragraph (a)(2) of this section; or

(B) If the institution sends the notice described in paragraph (a)(2) of this section more than 14 days prior to the first day of the payment period, by the first day of the payment period.

(iii) If a student or parent requests a loan cancellation after the period set forth in paragraph (a)(4)(ii) of this section, the institution may return the loan proceeds, cancel the loan, or do both, in accordance with applicable program regulations.

(5) An institution must inform a student or parent in writing or electronically regarding the outcome of any cancellation request.

(iii) Except if prohibited by the Secretary under the reimbursement method, hold on behalf of the student or parent any title IV, HEA program funds that would otherwise be paid directly to the student or parent under § 668.164(e).

(2) In obtaining the student's or parent's authorization to perform an activity described in paragraph (b)(1) of this section, an institution—

(i) May not require or coerce the student or parent to provide that authorization;

(ii) Must allow the student or parent to cancel or modify that authorization at any time; and

§ 668.166 Excess cash.

(a) *General.* (1) The Secretary considers excess cash to be any amount of title IV, HEA program funds, other than Federal Perkins Loan Program funds, that an institution does not disburse to students or parents by the end of the third business day following the

date the institution received those funds from the Secretary. Except as provided in paragraph (b) of this section, an institution must return promptly to the Secretary any amount of excess cash in its account or accounts.

(2) The provisions in this section do not apply to the title IV, HEA program funds that an institution receives from the Secretary under the just-in-time payment method.

(b) *Excess cash tolerances.* (1) If an institution draws down title IV, HEA program funds in excess of its immediate cash needs, the institution may maintain the excess cash balance in the account the institution established under § 668.164 only if—

(i) In the award year preceding that drawdown, the amount of that excess cash balance is less than—

(A) For a period of peak enrollment at the institution during which that drawdown occurs, three percent of its total prior-year drawdowns; or

(B) For any other period, one percent of its total prior-year drawdowns; and

(ii) Within the next seven days, the institution eliminates its excess cash balance by disbursing title IV, HEA program funds to students or parents for at least the amount of that balance.

(2) For the purposes of this section, a period of peak enrollment at an institution occurs when at least 25 percent of the institution's students start classes during a given 30-day period. For any award year, an institution calculates the percentage of students who started classes during a given 30-day period by—

(i) For the prior award year in which the 30-day period began, determining the number of students who started classes during that period;

(ii) Determining the total number of students who started classes during the entire award year used in paragraph (b)(2)(i) of this section;

(iii) Dividing the number of students in paragraph (b)(2)(i) of this section by the number of students in paragraph (b)(2)(ii) of this section; and

(iv) Multiplying the result obtained in paragraph (b)(2)(iii) of this section by 100.

(3) For the purpose of determining the total amount of title IV, HEA pro-

gram funds under paragraph (b)(1)(i) of this section, an institution that participates in the Direct Loan Program may include, for the latest year for which the Secretary has complete data, the total amount of loans guaranteed under the FFEL Program for students attending the institution during that year.

(c) *Consequences for maintaining excess cash balances.* (1) If the Secretary finds that an institution maintains in its account excess cash balances greater than those allowed under paragraph (b) of this section, the Secretary—

(i) As provided in paragraph (c)(2) of this section, requires the institution to reimburse the Secretary for the costs the Secretary deems to have incurred in making those excess funds available to the institution; and

(ii) May initiate a proceeding to fine, limit, suspend, or terminate the institution's participation in one or more title IV, HEA programs under subpart G of this part.

(2) For the purposes of this section, upon a finding that an institution has maintained excess cash, the Secretary—

(i) Considers the institution to have issued a check on the date that the check cleared the institution's bank account, unless the institution demonstrates to the satisfaction of the Secretary that it issued the check shortly after the institution wrote the check; and

(ii) Calculates, or requires the institution to calculate, a liability for maintaining excess cash balances in accordance with procedures established by the Secretary. Under those procedures, the Secretary assesses a liability that is equal to the difference between the earnings that the excess cash balances would have yielded if invested under the applicable current value of funds rate and the actual interest earned on those balances. The current value of funds rate is an annual percentage rate, published in a Treasury Financial Manual (TFM) bulletin, that reflects the current value of funds to the Department of Treasury based on certain investment rates. The current value of funds rate is computed each year by averaging investment rates for

§ 668.167

the 12-month period ending every September. The TFM bulletin is published annually by the Department of Treasury. Each annual bulletin identifies the current value of funds rate and the effective date of that rate.

(ii)(A) The student has not met all the FFEL Programs eligibility requirements; and
