

§ 690.65

Scheduled Federal Pell Grant for an award year.

(Authority: 20 U.S.C. 1070a)

[50 FR 10722, Mar. 15, 1985, as amended at 56 FR 56916, Nov. 6, 1991; 59 FR 54730, 54734, Nov. 1, 1994]

§ 690.65 Transfer student: attendance at more than one institution during an award year.

(a) If a student who receives a Federal Pell Grant at one institution subsequently enrolls at a second institution in the same award year, the student may receive a Federal Pell Grant at the second institution only if—

(1) The student submits a valid SAR to the second institution; or

(2) The second institution obtains a valid ISIR.

(b) The second institution shall calculate the student's award according to § 690.63.

(c) The second institution may pay a Federal Pell Grant only for that portion of the academic year in which a student is enrolled at that institution. The grant amount must be adjusted, if necessary, to ensure that the grant does not exceed the student's Scheduled Federal Pell Grant for that award year except as provided under § 690.67.

(d) If a student's Scheduled Federal Pell Grant at the second institution differs from the Scheduled Federal Pell Grant at the first institution, the grant amount at the second institution is calculated as follows—

(1) The amount received at the first institution is compared to the Scheduled Federal Pell Grant at the first institution to determine the percentage of the Scheduled Federal Pell Grant that the student has received.

(2) That percentage is subtracted from 100 percent.

(3) The remaining percentage is the percentage of the Scheduled Federal Pell Grant at the second institution to which the student is entitled.

(e) The student's Federal Pell Grant for each payment period is calculated according to the procedures in § 690.63 unless the remaining percentage of the Scheduled Federal Pell Grant at the second institution, referred to in paragraph (d)(3) of this section, is less than the amount the student would nor-

mally receive for that payment period. In that case, the student's Federal Pell Grant is equal to that remaining percentage.

(f) A transfer student shall repay any amount received in an award year that exceeds—

(1) His or her Scheduled Federal Pell Grant; or

(2) The amount which he or she was eligible to receive for the award year under § 690.67.

§ 690.66 Correspondence study.

(a) An institution calculates the Federal Pell Grant for a payment period for a student in a program of study offered by correspondence courses without terms, but not including any residential component by—

(1) Determining the student's annual award using the half-time Disbursement Schedule;

(2) Determining the length of the correspondence program in weeks of instructional time by—

(i) Preparing a written schedule for submission of lessons that reflect a workload of at least 12 hours of preparation per week; and

(ii) Determining the number of weeks of instructional time in the program of study using the written schedule for submission of lessons;

(3) Multiplying the annual award determined from the Disbursement Schedule for a half-time student by the lesser of—

The number of weeks of instructional time as determined under paragraph

(a)(2)(ii) of this section for a student to complete the lesser of the credit hours in the program or the academic year

The number of weeks of instructional time in the program's academic year definition

; or

(ii) One; and

(4) Multiplying the amount determined under (a)(3) of this section by—
