

§ 350.55

(iii) The extent to which the key personnel are knowledgeable about the methodology and literature of pertinent subject areas.

(iv) The extent to which the project staff includes outstanding scientists in the field.

(v) The extent to which key personnel have up-to-date knowledge from research or effective practice in the subject area covered in the priority.

(o) *Adequacy and accessibility of resources.* (1) The Secretary considers the adequacy and accessibility of the applicant's resources to implement the proposed project.

(2) In determining the adequacy and accessibility of resources, the Secretary considers one or more of the following factors:

(i) The extent to which the applicant is committed to provide adequate facilities, equipment, other resources, including administrative support, and laboratories, if appropriate.

(ii) The quality of an applicant's past performance in carrying out a grant.

(iii) The extent to which the applicant has appropriate access to clinical populations and organizations representing individuals with disabilities to support advanced clinical rehabilitation research.

(iv) The extent to which the facilities, equipment, and other resources are appropriately accessible to individuals with disabilities who may use the facilities, equipment, and other resources of the project.

§ 350.55 What are the additional considerations for selecting Field-Initiated Project applications for funding?

(a) The Secretary reserves funds to support some or all of the Field-Initiated Project applications that have been awarded points totaling 80% or more of the maximum possible points under the procedures described in § 350.53.

(b) In making a final selection of applications to support as Field-Initiated Projects, the Secretary considers the extent to which applications that have

34 CFR Ch. III (7-1-02 Edition)

been awarded a rating of 80% or more of the maximum possible points and meet one or more of the following conditions:

(1) The proposed project represents a unique opportunity to advance rehabilitation knowledge to improve the lives of individuals with disabilities.

(2) The proposed project complements research already planned or funded by the NIDRR through annual priorities published in the FEDERAL REGISTER or addresses the research in a new and promising way.
