-----------	-----------------------------	-----------------

THIS WEEK'S TOTAL OF FIVE-YEAR COSTS \$876.3 million

Year-to-date total of five-year costs of House mandatory spending:

\$17,702,300,000.00

An authorization explicitly allows funding for a certain program and / or directs a federal agency to take a certain action. Authorizations express the House's intent to spend, however, actual funding is provided through the annual appropriations process. **Authorizations that would result in no net cost are not reported here.**

Mandatory spending directly establishes an appropriation. No subsequent action is required for the money to be spent.
