3525.801-73 Designated contractors.

(a) Definition.

Designated contractors means:

(1)(i) Natural persons who are nationals or permanent residents of the United States, or

(ii) Corporations or other legal entities organized under the laws of the United States, any state thereof, or the District of Columbia, and which are under the effective control of such natural persons—

(A) To whom contracts are awarded by the Commission, and

(B) Who are so designated in writing by the Commission.

(2) The term also includes subcontractors of designated contractors:

(i) Who are nationals or permanent residents of the United States, or

(ii) Which are corporations or other legal entities organized under the laws of the United States, any state thereof, or the District of Columbia, and which are under the effective control of United States nationals or permanent residents.

(3) Because Article XI of the Treaty's Implementing Agreement (see paragraph (b) of this subsection and 3502.101) imposes certain obligations and confers certain benefits on designated contractors, all of which are dependent upon their or their employees' physical presence in Panama, the term is understood to mean only those contractors and/or subcontractors that will perform all or a portion of the contract work in the Republic of Panama. Such contractors are normally designated at the time of contract award.
