§ 23.30 Funding guidelines.

The following funding guidelines shall apply to all Crime Control Act funded discretionary assistance awards and Bureau of Justice Assistance (BJA) formula grant program subgrants, a purpose of which is to support the operation of an intelligence system. Intelligence systems shall only be funded where a grantee/subgrantee agrees to adhere to the principles set forth above and the project meets the following criteria:

(a) The proposed collection and exchange of criminal intelligence information has been coordinated with and will support ongoing or proposed investigatory or prosecutorial activities relating to specific areas of criminal activity.

(b) The areas of criminal activity for which intelligence information is to be utilized represent a significant and recognized threat to the population and:

(1) Are either undertaken for the purpose of seeking illegal power or profits or pose a threat to the life and property of citizens; and

(2) Involve a significant degree of permanent criminal organization; or

(3) Are not limited to one jurisdiction.

(c) The head of a government agency or an individual with general policy making authority who has been expressly delegated such control and supervision by the head of the agency will retain control and supervision of information collection and dissemination for the criminal intelligence system. This official shall certify in writing that he or she takes full responsibility and will be accountable for the information maintained by and disseminated from the system and that the operation of the system will be in compliance with the principles set forth in § 23.20.

(d)(1) Where the system is an interjurisdictional criminal intelligence system, the governmental agency which exercises control and supervision over the operation of the system shall require that the head of that agency or an individual with general policy-making authority who has been expressly delegated such control and supervision by the head of the agency:

(i) Assume official responsibility and accountability for actions taken in the name of the joint entity, and

(ii) Certify in writing that the official takes full responsibility and will be accountable for insuring that the information transmitted to the interjurisdictional system or to participating agencies will be in compliance with the principles set forth in § 23.20.

(2) The principles set forth in § 23.20 shall be made part of the by-laws or operating procedures for that system. Each participating agency, as a condition of participation, must accept in writing those principles which govern the submission, maintenance and dissemination of information included as part of the interjurisdictional system.

(e) Intelligence information will be collected, maintained and disseminated primarily for State and local law enforcement efforts, including efforts involving Federal participation.

§ 23.40 Monitoring and auditing of grants for the funding of intelligence systems.

(a) Awards for the funding of intelligence systems will receive specialized monitoring and audit in accordance with a plan designed to insure compliance with operating principles as set forth in § 23.20. The plan shall be approved prior to award of funds.

(b) All such awards shall be subject to a special condition requiring compliance with the principles set forth in § 23.20.
