

§ 31.400

(m) *Adult jail*. A locked facility, administered by State, county or local law enforcement and correctional agencies, the purpose of which is to detain adults charged with violating criminal law, pending trial. Also considered as adult jails are those facilities used to hold convicted adult criminal offenders sentenced for less than one year.

(n) *Adult lockup*. Similar to an adult jail except that an adult lockup is generally a municipal or police facility of a temporary nature which does not hold persons after they have been formally charged.

(o) *Valid court order*. The term means a court order given by a juvenile court judge to a juvenile who has been brought before the court and made subject to a court order. The use of the word "valid" permits the incarceration of juveniles for violation of a valid court order only if they received their full due process rights as guaranteed by the Constitution of the United States.

(p) *Local private agency*. For the purposes of the pass-through requirement of section 223(a)(5), a local private agency is defined as a private non-profit agency or organization that provides program services within an identifiable unit or a combination of units of general local government.
