§ 601.3 Findings with respect to State laws and plans of operation.

For purposes of grants, findings are made regarding the inclusion in State unemployment compensation laws, approved under section 3304(a) of the Internal Revenue Code of 1986, of provisions required by section 303(a) of the Social Security Act (see § 601.2); findings are also made whether a State has accepted the provisions of the Wagner-Peyser Act and whether its plan of operation for public employment offices complies with the provisions of said act. For purposes of additional tax credit, findings are made regarding reduced rates of contributions permitted by the State law (section 3303(a) (1) of the Internal Revenue Code of 1986).

So that the Secretary of Labor may be enabled to determine the status of State laws and plans of operation, all relevant State materials, such as statutes, executive and administrative orders, legal opinions, rules, regulations, interpretations, court decisions, etc., are required to be submitted currently.

(a) *Submission.* The States submit currently to the ETA one copy of relevant State material, properly certified by an authorized State official to be true and complete.

(b) [Reserved]

(c) *Findings.* The Secretary makes findings as provided in the cited sections of the Federal law. In the event that the Secretary is unable to make the findings required for certification for payment or for certification of the law for purposes of additional tax credit, further discussions with State officials are undertaken.
