- (i) Notify the FRA in writing that the cars are to be operated in dedicated service:
 - (ii) Identify in that notice—
 - (A) The railroads affected;
- (B) The number and type of cars involved;
- (C) The commodities being carried; and
- (D) The territorial and speed limits within which the cars will be operated; and
- (iii) File the notice required by this paragraph not less than 30 days before the cars operate in dedicated service;
- (e) *In service* when used in connection with a railroad freight car, means each railroad freight car subject to this part unless the car:
- (1) Has a "bad order" or "home shop for repairs" tag or card containing the prescribed information attached to each side of the car and is being handled in accordance with §215.9 of this part;
- (2) Is in a repair shop or on a repair track;
- (3) Is on a storage track and is empty; or
- (4) Has been delivered in interchange but has not been accepted by the receiving carrier.
- (f) Railroad means all forms of non-highway ground transportation that run on rails or electromagnetic guideways, including (1) commuter or other short-haul rail passenger service in a metropolitan or suburban area, and (2) high speed ground transportation systems that connect metropolitan areas, without regard to whether they use new technologies not associated with traditional railroads. Such term does not include rapid transit operations within an urban area that are not connected to the general railroad system of transportation.
- (g) State inspector means an inspector who is participating in investigative and surveillance activities under section 206 of the Federal Railroad Safety Act of 1970 (45 U.S.C. 435).
