

## § 363.205

### § 363.205 How do I reinvest the proceeds of a maturing security held in TreasuryDirect®?

You can reinvest the proceeds of a maturing security held in TreasuryDirect by first directing that the proceeds from the maturing security be used to purchase a certificate of indebtedness in your account, and then using the redemption proceeds of your certificate of indebtedness to purchase another security. Any purchase using the proceeds from a certificate of indebtedness is considered a reinvestment.

### § 363.206 How can I transfer my marketable Treasury security into my TreasuryDirect® account from another book-entry system?

(a) *Legacy Treasury Direct to TreasuryDirect.* 31 CFR part 357, subpart C, governs the transfer of a marketable book-entry Treasury security from your Legacy Treasury Direct account into TreasuryDirect.

(b) *Commercial book-entry system to TreasuryDirect.* You may transfer your marketable Treasury security from the commercial book-entry system by contacting the financial institution or broker that handles your commercial book-entry account.

(c) *Form of registration upon transfer to TreasuryDirect.* When your security is transferred into your TreasuryDirect account, it will be transferred into your account in your name in the sole owner form of registration, regardless of the form of registration prior to the transfer. After the transfer is completed, you can change the registration to any form of registration permitted by § 363.20.

(d) *Amounts transferred.* You can only transfer in increments of \$1000.

### § 363.207 Can I transfer my marketable Treasury security from my TreasuryDirect® account to another TreasuryDirect account?

After the initial 45-calendar day holding period for your marketable Treasury security (see § 363.203) you can transfer your security to another TreasuryDirect account in increments of \$1000.

## 31 CFR Ch. II (7-1-06 Edition)

### § 363.208 Can I transfer my marketable Treasury security from my TreasuryDirect® account to an account in another book-entry system?

After the initial 45-calendar day holding period for your marketable Treasury security (see § 363.203) you can transfer your security to an account in Legacy Treasury Direct or to an account in the commercial book-entry system in increments of \$1000.

### § 363.209 How can I direct that my marketable Treasury security be sold on the open market (Sell Direct®)?

(a) *Sell Direct.* We offer a service, referred to as Sell Direct, in which we will sell your marketable Treasury security for you on the open market at your request. We will transfer your security to an account in the commercial book-entry system maintained by our agent, and will sell the security on your behalf. By authorizing the transfer and sale of the security, you agree to accept the price received by our agent. If our agent is unable to obtain at least one price quote for the security, the security will be returned to your TreasuryDirect® account.

(b) *Fee.* We charge a fee for each security sold on your behalf. By authorizing the sale of the security, you authorize our agent to deduct the fee from the proceeds of the sale. If our agent is unable to complete the sale, no fee will be charged. The amount of the fee is published in the FEDERAL REGISTER.

(c) *Definitions.* The following definitions will help you understand this section and the confirmation that you will receive after the sale is completed.

(1) The *trade date* is the date that your security is sold.

(2) A *security*, for the purpose of this section, is any amount represented by a separate CUSIP number (see definition of CUSIP in 31 CFR part 356).

(3) The *settlement date* is the date that the proceeds of the sale are released to the financial institution that you designated to receive the proceeds.
