[55 FR 2314, Jan. 23, 1990, as amended at 66 FR 22445, May 4, 2001]

§ 206.362 Responsibilities.

(a) The local government shall submit the financial information required by FEMA in the application for a Community Disaster Loan and in the application for loan cancellation, if submitted, and comply with the assurances on the application, the terms and conditions of the Promissory Note, and these regulations. The local government shall send all loan application, loan administration, loan cancellation, and loan settlement correspondence through the GAR and the FEMA Regional Office to the FEMA Associate Director.

(b) The GAR shall certify on the loan application that the local government can legally assume the proposed indebtedness and that any proceeds will be used and accounted for in compliance with the FEMA-State Agreement for the major disaster. States are encouraged to take appropriate pre-disaster action to resolve any existing State impediments which would preclude a local government from incurring the increased indebtedness associated with a loan in order to avoid protracted delays in processing loan application requests in major disasters or emergencies.

(c) The Regional Director or designee shall review each loan application or loan cancellation request received from a local government to ensure that it contains the required documents and transmit the application to the Associate Director. He/she may submit appropriate recommendations to the Associate Director.

(d) The Associate Director, or a designee, shall execute a Promissory Note with the local government, and the Office of Disaster Assistance Programs in Headquarters, FEMA, shall administer the loan until repayment or cancellation is completed and the Promissory Note is discharged.

(e) The Associate Director or designee shall approve or disapprove each loan request, taking into consideration the information provided in the local government's request and the recommendations of the GAR and the Regional Director. The Associate Director or designee shall approve or disapprove a request for loan cancellation in accordance with the criteria for cancellation in these regulations.

(f) The Comptroller shall establish and maintain a financial account for each outstanding loan and disburse funds against the Promissory Note.

§ 206.363 Eligibility criteria.

(a) *Local government.* (1) The local government must be located within the area designated by the Associate Director as eligible for assistance under a major disaster declaration. In addition, State law must not prohibit the local government from incurring the indebtedness resulting from a Federal loan.

(2) Criteria considered by FEMA in determining the eligibility of a local government for a Community Disaster Loan include the loss of tax and other revenues as result of a major disaster, a demonstrated need for financial assistance in order to perform its governmental functions, the maintenance of an annual operating budget, and the responsibility to provide essential municipal operating services to the community. Eligibility for other assistance under the Act does not, by itself, establish entitlement to such a loan.

(b) *Loan eligibility—(1) General.* To be eligible, the local government must show that it may suffer or has suffered a substantial loss of tax and other revenues as a result of a major disaster or emergency, must demonstrate a need for financial assistance in order to perform its governmental functions, and must not be in arrears with respect to any payments due on previous loans. Loan eligibility is based on the financial condition of the local government
