§ 206.375 Loan administration.

(a) *Funding.* (1) FEMA will disburse funds to the local government when requested, generally in accordance with the Schedule of Loan Increments in the Promissory Note. As funds are disbursed, interest will accrue against each disbursement.

(2) When each incremental disbursement is requested, the local government shall submit a copy of its most recent financial report (if not submitted previously) for consideration by FEMA in determining whether the level and frequency of periodic payments continue to be justified. The local government shall also provide the latest available data on anticipated and actual tax and other revenue collections. Desired adjustments in the disbursement schedule shall be submitted in writing at least 10 days prior to the proposed disbursement date in order to ensure timely receipt of the funds.

(b) *Financial management.* (1) Each local government with an approved Special Community Disaster Loan shall establish necessary accounting records, consistent with local government's financial management system, to account for loan funds received and disbursed and to provide an audit trail.

(2) FEMA auditors, State auditors, the GAR, the Regional Director, the Associate Director, the Department of Homeland Security Inspector General, and the Comptroller General of the United States or their duly authorized representatives shall, for the purpose of audits and examination, have access to any books, documents, papers, and records that pertain to Federal funds, equipments, and supplies received under §§ 206.370 through 206.377.

(c) *Loan servicing.* (1) The applicant annually shall submit to FEMA copies of its annual financial reports (operating statements, balance sheets, etc.) for the fiscal year of the major dis-

(3) FEMA shall provide each loan recipient with a loan status report on a quarterly basis. The recipient will notify FEMA of any changes of the responsible municipal official who executed the Promissory Note.

(d) *Inactive loans.* If no funds have been disbursed from the loan program, and if the local government does not anticipate a need for such funds, the note may be cancelled at any time upon a written request through the State and Regional Office to FEMA.
