### 731.771 Bid and proposal costs.

Pending the establishment of Government-wide principles in Attachment B of OMB Circular A-122, USAID will treat bid and proposal costs as follows:

(a) Bid and proposal costs are the costs of preparing bids, proposals, and applications for potential activities such as Government and non-Government grants, contracts and other agreements, including the development of scientific, cost, and other data needed to support such bids, proposals, and applications. Except as provided in (b) below, bid and proposal costs of the current accounting period of both successful and unsuccessful bids and proposals normally should be treated as indirect costs for allocation to all current activities, and no bid and proposal costs of past accounting periods will be allocable to the current period. However, if the organization's established practice is to treat bid and proposal costs by some other method, the results obtained may be accepted only if found to be reasonable and equitable.

(b) Bid and proposal costs incurred by the organization to obtain unrestricted funds are to be treated as fund raising and allocated an appropriate share of indirect costs under the conditions described in paragraph B.3 of Attachment A to OMB Circular A-122.

### 731.772 Compensation for personal services.

The policies set for in AIDAR 731.205-6 are also applicable to contracts with a nonprofit organization.

#### 732.111 Contract clauses.

(a) [Reserved]

(b) USAID may obtain short term and (less frequently) long-term indefinite quantity professional services through Agency-specific indefinite quantity contracts that are a combination of contract types. Rather than using the fixed-price payment clauses for indefinite quantity contracts, when these IQCs provide for fixed daily rates (which may include wages, overhead, general and administrative expenses, fringe benefits, and profit) for services and reimbursement of other direct costs (such as travel and transportation) at cost, then the payment clause at 752.232-7 shall be used in the contract.
