### §16.1 What this part does.

This part contains requirements and procedures applicable to certain disputes arising under the HHS programs described in Appendix A. This part is designed to provide a fair, impartial, quick and flexible process for appeal from written final decisions. This part supplements the provisions in Part 74 of this title.

## § 16.2 Definitions.

- (a) Board means the Departmental Grant Appeals Board of the Department of Health and Human Services. Reference below to an action of the Board means an action of the Chair, another Board member, or Board staff acting at the direction of a Board member. In certain instances, the provisions restrict action to particular Board personnel, such as the Chair or a Board member assigned to a case.
- (b) Other terms shall have the meaning set forth in Part 74 of this title, unless the context below otherwise requires.

### §16.3 When these procedures become available.

Before the Board will take an appeal, three circumstances must be present:

- (a) The dispute must arise under a program which uses the Board for dispute resolution, and must meet any special conditions established for that program. An explanation is contained in Appendix A.
- (b) The appellant must have received a final written decision, and must appeal that decision within 30 days after receiving it. Details of how final decisions are developed and issued, and what must be in them, are contained in 45 CFR 74.304.
