unless additional copies are required pursuant to 5 CFR part 1320.

(c) For Federal programs covered by E.O. 12372, as amended by E.O. 12416, "Intergovernmental Review of Federal Programs," the applicant shall complete the appropriate sections of the SF-424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from the HHS awarding agency or the Catalog of Federal Domestic Assistance. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review. (See also 45 CFR part 100.)

(e) This section does not apply to applications for subawards.

§ 74.13 Debarment and suspension.

Recipients are subject to the non-procurement debarment and suspension common rule implementing E.O.s 12549 and 12689, "Debarment and Suspension," 45 CFR part 76. This common rule restricts subawards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

§ 74.14 Special award conditions.

(a) The HHS awarding agency may impose additional requirements as needed, without regard to § 74.4, above, if an applicant or recipient:

- (4) Has not conformed to the terms and conditions of a previous award; or
- (5) Is not otherwise responsible.

(b) When it imposes any additional requirements, the HHS awarding agency must notify the recipient in writing as to the following:

45 CFR Subtitle A (10-1-03 Edition)

§ 74.15 Metric system of measurement.

The Metric Conversion Act, as amended by the Omnibus Trade and Competitiveness Act, 15 U.S.C. 205, declares that the metric system is the preferred measurement system for U.S. trade and commerce. The Act requires each Federal agency to establish a date or dates in consultation with the Secretary of Commerce, when the metric system of measurement will be used in the agency's procurements, grants, and other business-related activities. Metric implementation may take longer where the use of the system is initially impractical or likely to cause significant inefficiencies in the accomplishment of federally-funded activities. HHS awarding agencies will follow the provisions of E.O. 12770, "Metric Usage in Federal Government Programs."

§ 74.16 Resource Conservation and Recovery Act (RCRA, Section 6002 of Pub. L. No. 94-580 (Codified at 42 U.S.C. 6962)).

Under the Act, any State agency or agency of a political subdivision of a State which is using appropriated Federal funds must comply with section 6002 of the RCRA. This section requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by the Environmental Protection Agency (EPA) (40 CFR parts 247-254). Accordingly, State and local institutions of higher education, hospitals, and other nonprofit organizations that receive direct HHS awards or other Federal funds shall give preference in their procurement programs funded
