

§ 74.62

if the HHS awarding agency determines in the case of partial termination that the reduced or modified portion of the award will not accomplish the purposes for which the award was made, it may terminate the award in its entirety.

(b) If costs are allowed under an award, the responsibilities of the recipient referred to in § 74.71(a), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

§ 74.62 Enforcement.

(a) If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute or regulation, an assurance, an application, or a notice of award, the HHS awarding agency may, in addition to imposing any of the special conditions outlined in § 74.14, take one or more of the following actions, as appropriate in the circumstances:

(1) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by the HHS awarding agency.

(2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award.

(4) Withhold further awards for the project or program.

(5) Take any other remedies that may be legally available.

(b) In taking an enforcement action, the HHS awarding agency will provide the recipient or subrecipient an opportunity for such hearing, appeal, or other administrative proceeding to which the recipient or subrecipient is entitled under any statute or regulation applicable to the action. (See also 45 CFR parts 16 and 95.)

(c) Costs to a recipient resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable unless the HHS awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other recipient costs during

45 CFR Subtitle A (10–1–03 Edition)

suspension or after termination which are necessary and not reasonably avoidable are allowable if:

(1) The costs result from obligations which were properly incurred by the recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are noncancellable; and

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) The enforcement remedies identified in this section, including suspension and termination, do not preclude a recipient from being subject to debarment and suspension under E.O.s 12549 and 12689 and the HHS implementing regulations at § 74.13 of this part and 45 CFR part 76.
