(c)(1) Grants to individual Tribes with 50 or more Indian children, and to Tribes with fewer than 50 Indian children that apply as part of a consortium pursuant to § 98.80(b)(1), will be equal to an amount per Indian child under age 13 (or such similar age as determined by the Secretary from the best available data), which is determined by dividing the amount of funds available, by the number of Indian children in each Tribe's service area pursuant to § 98.80(e).

(2) Tribal consortia will receive grants that are equal to the sum of the individual grants of their members.

**§ 98.63 Allotments from the Matching Fund.**

(a) To each of the 50 States and the District of Columbia there is allocated an amount equal to its share of the total available under section 418(a)(3) of the Social Security Act. That amount is based on the same ratio as the number of children under age 13 residing in the State bears to the national total of children under age 13. The number of children under 13 is derived from the best data available to

the Secretary for the second preceding fiscal year.

(b) For purposes of this subsection, the amounts available under section 418(a)(3) of the Social Security Act excludes the amounts reserved and allocated under § 98.60(b)(1) for technical assistance and under § 98.62(a) and (b) for the Mandatory Fund.

(c) Amounts under this subsection are available pursuant to the requirements at § 98.53(c).

**§ 98.64 Reallotment and redistribution of funds.**

(a) According to the provisions of this section State and Tribal Discretionary Funds are subject to reallotment, and State Matching Funds are subject to redistribution. State funds are reallotted or redistributed only to States as defined for the original allocation. Tribal funds are reallotted only to Tribes. Funds granted to the Territories are not subject to reallotment. Any funds granted to the Territories that are returned after they have been allotted will revert to the Federal government.

(b) Any portion of a State's Discretionary Fund allotment that is not required to carry out its Plan, in the period for which the allotment is made available, shall be reallotted to other States in proportion to the original allotments. For purposes of this paragraph the term "State" means the 50 States, the District of Columbia, and the Commonwealth of Puerto Rico. The other Territories and the Tribes may not receive reallotted State Discretionary Funds.

(1) Each year, the State shall report to the Secretary either the dollar amount from the previous year's grant that it will be unable to obligate by the end of the obligation period or that all funds will be obligated during such time. Such report shall be postmarked by April 1st.

(2) Based upon the reallotment reports submitted by States, the Secretary will reallot funds.

(i) If the total amount available for reallotment is \$25,000 or more, funds will be reallotted to States in proportion to each State's allotment for the applicable fiscal year's funds, pursuant to § 98.61(a).
