

Office of Management and Budget

§ 1315.1

§ 1312.35 Information classified by another agency.

When a request is received for information that was classified by another agency, the Associate Director (or Assistant Director) for Administration will forward the request, along with any other related materials, to the appropriate agency for review and determination as to release. Recommendations as to release or denial may be made if appropriate. The requester will be notified of the referral, unless the receiving agency objects on the grounds that its association with the information requires protection.

§ 1312.36 Appeal procedure.

Appeals received as a result of a denial, see § 1312.34, will be routed to the Deputy Director who will take action as necessary to determine whether any part of the information may be declassified. If so, he will notify the requester of his determination and make that information available that is declassified and otherwise releasable. If continued classification is required, the requestor shall be notified by the Deputy Director of the reasons thereafter. Determinations on appeals will normally be made within 60 working days following receipt. If additional time is needed, the requestor will be notified and this reason given for the extension. The agency's decision can be appealed to the Interagency Security Classification Appeals Panel.

§ 1312.37 Fees.

There will normally be no fees charged for the mandatory review of classified material for declassification under this section.
