

### § 410.303

(3) The head of each agency shall not allow training in a facility that discriminates in the admission or treatment of students.

(b)(1) Training of Presidential appointees. The Office of Personnel Management delegates to the head of each agency authority to authorize training for officials appointed by the President. In exercising this authority, the head of an agency must ensure that the training is in compliance with chapter 41 of title 5, United States Code, and with this part. This authority may not be delegated to a subordinate.

(2) Records. When exercising this delegation of authority, the head of an agency must maintain records that include:

(i) The name and position title of the official;

(ii) A description of the training, its location, vendor, cost, and duration; and

(iii) A statement justifying the training and describing how the official will apply it during his or her term of office.

(3) Review of delegation. Exercise of this authority is subject to U.S. Office of Personnel Management review.

(c) Training for the head of an agency. Since self-review constitutes a conflict of interest, heads of agencies must submit their own requests for training to the U.S. Office of Personnel Management for approval.

(d) The head of the agency shall establish the form and manner of maintaining agency records related to training plans, expenditures, and activities.

(e) The head of the agency shall establish written procedures which cover the minimum requirements for continued service agreements. (See also 5 CFR 410.310.)

(f) The head of each agency shall prescribe procedures, as authorized by section 402 of Executive Order No. 11348, for obtaining U.S. Department of State advice before assigning an employee who is stationed within the continental limits of the United States to training outside the continental United States that is provided by a foreign government, international organization, or instrumentality of either.

Employees are responsible for self-development, for successfully completing and applying authorized training, and for fulfilling continued service agreements. In addition, they share with their agencies the responsibility to identify training needed to improve individual and organizational performance and identify methods to meet those needs, effectively and efficiently.

#### § 410.304 Funding training programs.

Section 4112 of title 5, United States Code, provides for agencies paying the costs of their training programs and plans from applicable appropriations or from other funds available. Training costs associated with program accomplishment may be funded by appropriations applicable to that program area. In addition, section 4109(a)(2) of title 5, United States Code, provides authority for agencies and employees to share the expenses of training.

#### § 410.305 Establishing and using inter-agency training.

Executive departments, independent establishments, Government corporations subject to chapter 91 of title 31, the Library of Congress, and the Government Printing office may provide or share training programs developed for its employees of other agencies under section 4120 of title 5, United States Code, when this would result in better training, improved service, or savings to the Government. Section 302(d) of Executive Order 11348 allows agencies excluded from section 4102 of title 5, United States Code, to also receive interagency training when this would result in better training, improved service, or savings to the Government. Section 201(e) of Executive Order 11348 provides for the Office of Personnel Management to coordinate interagency training conducted by and for agencies (including agencies and portions of agencies excepted by section 4102(a) of Title 5, United States Code).

#### § 410.306 Selecting and assigning employees to training.

(a) Each agency shall establish criteria for the fair and equitable selection and assignment of employees to training consistent with merit system
