

§ 25.3

Originating Agency means an agency that provides a record to a database checked by the NICS.

POC (Point of Contact) means a state or local law enforcement agency serving as an intermediary between an FFL and the federal databases checked by the NICS. A POC will receive NICS background check requests from FFLs, check state or local record systems, perform NICS inquiries, determine whether matching records provide information demonstrating that an individual is disqualified from possessing a firearm under Federal or state law, and respond to FFLs with the results of a NICS background check. A POC will be an agency with express or implied authority to perform POC duties pursuant to state statute, regulation, or executive order.

Proceed means a NICS response indicating that the information available to the system at the time of the response did not demonstrate that transfer of the firearm would violate federal or state law. A “Proceed” response would not relieve an FFL from compliance with other provisions of Federal or state law that may be applicable to firearms transfers. For example, under 18 U.S.C. 922(d), an FFL may not lawfully transfer a firearm if he or she knows or has reasonable cause to believe that the prospective recipient is prohibited by law from receiving or possessing a firearm.

Record means any item, collection, or grouping of information about an individual that is maintained by an agency, including but not limited to information that disqualifies the individual from receiving a firearm, and that contains his or her name or other personal identifiers.

STN (State-Assigned Transaction Number) means a unique number that may be assigned by a POC to a valid background check inquiry.

System means the National Instant Criminal Background Check System (NICS).

28 CFR Ch. I (7-1-08 Edition)

§ 25.3 System information.

(a) There is established at the FBI a National Instant Criminal Background Check System.

(b) The system will be based at the Federal Bureau of Investigation, 1000 Custer Hollow Road, Clarksburg, West Virginia 26306-0147.

(c) The system manager and address are: Director, Federal Bureau of Investigation, J. Edgar Hoover F.B.I. Building, 935 Pennsylvania Avenue, NW, Washington, D.C. 20535.

§ 25.4 Record source categories.

It is anticipated that most records in the NICS Index will be obtained from Federal agencies. It is also anticipated that a limited number of authorized state and local law enforcement agencies will voluntarily contribute records to the NICS Index. Information in the NCIC and III systems that will be searched during a background check has been or will be contributed voluntarily by Federal, state, local, and international criminal justice agencies.

§ 25.5 Validation and data integrity of records in the system.

(a) The FBI will be responsible for maintaining data integrity during all NICS operations that are managed and carried out by the FBI. This responsibility includes:

(1) Ensuring the accurate adding, canceling, or modifying of NICS Index records supplied by Federal agencies;

(2) Automatically rejecting any attempted entry of records into the NICS Index that contain detectable invalid data elements;

(3) Automatic purging of records in the NICS Index after they are on file for a prescribed period of time; and

(4) Quality control checks in the form of periodic internal audits by FBI personnel to verify that the information provided to the NICS Index remains valid and correct.

(b) Each data source will be responsible for ensuring the accuracy and validity of the data it provides to the NICS Index and will immediately correct any record determined to be invalid or incorrect.
