

exports subject to the cost sharing method or as domestic sales subject to the profit split method?

A. 3: The sales to a foreign branch of a U.S. corporation are exports if for ultimate use or consumption outside of the United States as provided under § 1.954-3(a)(3)(ii).

Q. 4: Under what circumstances may a possessions corporation make the separate election under section 936(h)(5)(F)(iv)(II) for computing its income from products exported to a foreign person when the income derived by such foreign person on the resale of such products is included in foreign base company income under section 954(a)?

A. 4: If the income derived by a foreign person on the resale of products manufactured, in whole or in part, by a possessions corporation is included in foreign base company income under section 954(a), then the possessions corporation may make the separate export election under section 936(h)(5)(F)(iv)(II) for computing its income from such products only if such foreign person has been formed or is availed of for substantial business reasons that are unrelated to an affiliated corporation's U.S. tax liability. For purposes of the preceding sentence, a foreign person will be considered to be formed or availed of for such substantial business reasons if the foreign person in the normal course of business purchases substantial quantities of products from both the possessions corporation and its affiliates for resale, and, in addition provides support services for affiliated companies such as centralized testing, marketing of products, management of local currency exposures, or other similar services. However, a foreign person that purchases and resells products only from a possessions corporation is presumed to be formed or availed of for other than such substantial business reasons, even if the foreign person provides additional services.

Q. 5: When will the "manufacturing" test set forth in subsection (d)(1)(A) of section 954 be applicable to the export sales of a product of a possessions corporation which makes a separate election for export sales?

A. 5: An electing corporation will be required to meet the "manufacturing" test set forth in subsection (d)(1)(A) of section 954 with respect to export sales of its product in each taxable year in which the separate election for export sales is in effect.

(c) *Revocation of election under section 936(a).*

Q. 1: When may an election under section 936(a) be revoked?

A. 1: An election under section 936(a) may be revoked during the first ten years of section 936 status only with the consent of the Commissioner, and without the Commissioner's consent after that time. The Commissioner hereby consents to all requests for revocation that are made with respect to the taxpayer's first taxable year beginning after December 31, 1982 provided that the section 936(a) election was in effect for the corporation's last taxable year beginning before January 1, 1983, if the taxpayer agrees not to re-elect section 936(a) prior to its first taxable year beginning after December 31, 1988. A taxpayer that wishes to revoke a section 936(a) election under the terms of the blanket revocation must attach a "Statement of Revocation—Section 936" to the taxpayer's timely filed return (including extensions) and must state that in revoking the election the taxpayer agrees not to re-elect section 936(a) prior to its first taxable year beginning after December 31, 1988. Other requests to revoke not covered by the Commissioner's blanket consent should be addressed to the District Director having jurisdiction over the taxpayer's tax return.

§ 1.936-8T Qualified possession source investment income (temporary). [Reserved]

§ 1.936-9T Source of qualified possession source investment income (temporary). [Reserved]

§ 1.936-10 Qualified investments.

(a) *In general.* [Reserved]

(b) *Qualified investments in Puerto Rico.* [Reserved]

(c) *Qualified investment in certain Caribbean Basin countries—(1) General rule.*

An investment of qualified funds described in this section shall be treated as a qualified investment of funds for use in Puerto Rico if the funds are used for a qualified investment in a qualified Caribbean Basin country. A qualified investment in a qualified Caribbean Basin country is a loan of qualified funds by a qualified financial institution (described in paragraph (c)(3) of this section) directly to a qualified recipient (described in paragraph (c)(9) of this section) or indirectly through a single financial intermediary for investment in active business assets (as defined in paragraph (c)(4) of this section) in a qualified Caribbean Basin country (described in paragraph (c)(10)(ii) of this section) or for investment in development projects (as defined in paragraph (c)(5) of this section) in a qualified Caribbean Basin country, provided—

(i) The investment is authorized, prior to disbursement of the funds, by the Commissioner of Financial Institutions of Puerto Rico (or his delegate) pursuant to regulations issued by such Commissioner; and

(ii) The agreement, certification, and due diligence requirements under paragraphs (c)(11), (12), and (13) of this section are met.

A loan by a qualified financial institution shall not be disqualified merely because the loan transaction is processed by the central bank of issue of the country into which the loan is made pursuant to, and solely for purposes of complying with, the exchange control laws or regulations of such country. Further, a loan by a qualified financial institution shall not be disqualified merely because the loan is acquired by another person, provided such other person is also a qualified financial institution.

(2) *Termination of qualification*—(i) *In general*. An investment that, at any time after having met the requirements for a qualified investment in a qualified Caribbean Basin country under the terms of this paragraph (c), fails to meet any of the conditions enumerated in this paragraph (c) shall no longer be considered a qualified investment in a qualified Caribbean Basin country from the time of such failure, unless the investment satisfies the re-

quirements for a timely cure described in paragraph (c)(2)(ii) of this section. Such a failure includes, but is not limited to, the occurrence of any of the following events:

(A) Active business assets cease to qualify as such;

(B) Proceeds from the investment are diverted for the financing of assets, projects, or operations that are not active business assets or development projects or are not the assets or the project of the qualified recipient;

(C) The holder of the qualified recipient's obligation is not a qualified financial institution;

(D) The qualified recipient's qualified business activity ceases to qualify as such; or

(E) The qualified Caribbean Basin country ceases to be a country described in paragraph (c)(10)(ii) of this section.

(ii) *Timely cure*—(A) *In general*. A timely cure shall be considered to have been made if the event or events that cause disqualification of the investment are corrected within a reasonable period of time. For purposes of this section, a reasonable period of time shall not exceed 60 days after such event or events come to the attention of the qualified recipient or the qualified financial institution or should have come to their attention by the exercise of reasonable diligence.

(B) *Due diligence requirements*. A time cure of a failure to comply with the due diligence requirements of paragraphs (c)(11), (12), and (13) of this section shall be considered to be made if the failure to comply is due to reasonable cause and, upon request of the Commissioner of Financial Institutions of Puerto Rico (or his delegate) or of the Assistant Commissioner (International) (or his authorized representative), the qualified financial institution (and its trustee or agent), if any, the financial intermediary, or the qualified recipient establishes to the satisfaction of the Commissioner of Financial Institutions of Puerto Rico (or his delegate) or of the Assistant Commissioner (International) (or his authorized representative) that it has exercised due diligence in ensuring that the funds were properly disbursed to a qualified recipient and applied by or on

behalf of such qualified recipient to uses that qualify the investment as an investment in qualified business assets or a development project under the provisions of this paragraph (c).

(iii) *Assumption of qualified recipient's obligation.* An investment shall not cease to qualify merely because the qualified recipient's obligation to the qualified financial institution (or to a financial intermediary, if any) is assumed by another person, provided such other person assumes the qualified recipient's agreement and certification requirements under paragraph (c)(11)(i) of this section and is either—

(A) A qualified recipient on the date of assumption, in which case such person shall be treated for purposes of this section as the original qualified recipient and shall be subject to all the requirements of this section for continued qualification of the loan as a qualified investment in a qualified Caribbean Basin country; or

(B) An international organization, the principal purpose of which is to foster economic development in developing countries and which is described in section 1 of the International Organizations Immunities Act (22 U.S.C. 288), if the assumption of the obligation is pursuant to a bona fide guarantee agreement.

(3) *Qualified financial institution—(i) General rule.* For purposes of section 936(d)(4)(A) and this section, a qualified financial institution includes only—

(A) A banking, financing, or similar business defined in §1.864-4(c)(5)(i) that is an eligible institution described in paragraph (c)(3)(ii) of this section, but not including branches of such institution outside of Puerto Rico;

(B) A single-purpose entity described in paragraph (c)(3)(iii) of this section;

(C) The Government Development Bank for Puerto Rico;

(D) The Puerto Rico Economic Development Bank; and

(E) Such other entity as may be determined by the Commissioner by Revenue Procedure or other guidance published in the Internal Revenue Bulletin.

(ii) *Eligible institution.* An eligible institution means an institution—

(A) That is an entity organized under the laws of the Commonwealth of Puer-

to Rico or is the Puerto Rican branch of an entity organized under the laws of another jurisdiction, if such entity is engaged in a banking, financing, or similar business defined in §1.864-4(c)(5)(i), and

(B) That is licensed as an eligible institution under Regulation No. 3582 (or any successor regulation) issued by the Commissioner of Financial Institutions of Puerto Rico (hereinafter "Puerto Rican Regulation No. 3582").

(iii) *Single-purpose entity.* A single-purpose entity is an entity that meets all of the following conditions:

(A) The entity is organized under the laws of the Commonwealth of Puerto Rico and is a corporation, a partnership or a trust, which conducts substantially all of its activities in Puerto Rico.

(B) The sole purpose of the entity is to use qualified funds from possessions corporations to make one or more qualified investments in a qualified Caribbean Basin country and the entity actually uses such funds only for such purpose.

(C) In the case of an entity that is a trust, one of the trustees is a qualified financial institution described in paragraph (c)(3)(i) of this section.

(D) The entity is licensed as an eligible institution under Puerto Rican Regulation No. 3582 (or any successor regulation).

(E) Any temporary investment by the entity for its own account of funds received from a possessions corporation, and the income from the investment thereof, and any temporary investment by the entity for its own account of principal and interest paid by a borrower to the entity, and the income from the investment thereof, are limited to investments in eligible activities, as described in section 6.2.4 of Puerto Rican Regulation No. 3582, as in effect on September 22, 1989.

(4) *Investments in active business assets—(i) In general.* For purposes of section 936(d)(4)(A)(i)(I) and this section and subject to the provisions of paragraph (c)(8) of this section, a loan qualifies as an investment in active business assets if—

(A) The amounts disbursed to a qualified recipient under the loan or bond issue are promptly applied (as defined

in paragraphs (c)(6) and (7) of this section) by (or on behalf of) the qualified recipient solely for capital expenditures for the construction, rehabilitation (including demolition associated therewith), improvement, or upgrading of qualified assets described in paragraphs (c)(4)(ii)(A), (B), (E), and (F) of this section, for the acquisition of qualified assets described in paragraphs (c)(4)(ii)(B), (C), (E), and (F) of this section, for the expenditures described in paragraphs (c)(4)(ii)(D), (E), and (F) of this section, and, if applicable, for the financing of incidental expenditures described in paragraph (c)(4)(iii) of this section;

(B) The qualified recipient owns the assets for United States income tax purposes and uses them in a qualified business activity (as defined in paragraph (c)(4)(iv)); and

(C) The requirements of paragraph (c)(6) of this section (regarding temporary investments and time periods within which the funds must be invested) and of paragraph (c)(7) of this section (regarding the refinancing of existing funding and the time periods within which funding for investments must be secured) are satisfied.

(ii) *Definition of qualified assets.* For purposes of this paragraph (c), qualified assets mean—

(A) Real property;

(B) Tangible personal property (such as furniture, machinery, or equipment) that is not property described in section 1221(1) and that is either new property or property which at no time during the period specified in paragraph (c)(4)(v) of this section was used in a business activity in the qualified Caribbean Basin country in which the property is to be used;

(C) Rights to intangible property that is a patent, invention, formula, process, design, pattern, know-how, or similar item, or rights under a franchise agreement, provided that such rights—

(I) Were not at any time during the period specified in paragraph (c)(4)(v) of this section used in a business activity in the qualified Caribbean Basin country in which the rights are to be used,

(2) Are not rights the use of which gives rise, or would give rise if used, to United States source income, and

(3) Are not rights acquired by the qualified recipient from a person related (within the meaning of section 267(b), using “10 percent” instead of “50 percent” in the places where it appears) to the qualified recipient;

(D) Exploration and development expenditures incurred by a qualified recipient for the purpose of ascertaining the existence, location, extent or quality of any deposit of ore, oil, gas, or other mineral in a qualified Caribbean Basin country, as well as for purposes of developing such deposit (within the meaning of section 616 of the Code and the regulations thereunder);

(E) Living plants and animals (other than crops, plants, and animals that are acquired primarily to hold as inventory by the qualified recipient for resale in the ordinary course of trade or business) acquired in connection with a farming business (as defined in § 1.263-1T(c)(4)(i)), expenditures of a preparatory nature to prepare the land or area for farming (such as planting trees, drilling wells, clearing brush, leveling land, laying pipes, building roads, constructing tanks and reservoirs), expenditures for soil and water conservation of a type described in section 175(c)(1), and expenditures of a development nature incurred in connection with, and during, the preproductive period of property produced in a farming business (as defined in § 1.263-1T(c)(4)(ii));

(F) Other assets or expenditures that are not described in paragraphs (c)(4)(ii)(A) through (E) of this section and that the Commissioner may, by Revenue Procedure or other guidance published in the Internal Revenue Bulletin or by ruling issued to a qualified financial institution or qualified recipient upon its request, determine to be qualified assets.

(iii) *Incidental expenditures.* An amount in addition to the loan proceeds borrowed to make an investment in active business assets shall be considered an investment in active business assets if such amount is applied to finance expenditures that are incidental to making the investment in active business assets, provided such

amount is disbursed at or about the same time the proceeds for making the investment in active business assets are disbursed. For purposes of this section, expenditures incidental to an investment in active business assets include only the following items:

(A) A reasonable amount of costs (other than the cost of credit enhancement or bond insurance premiums) associated with arranging the financing of an investment in active business assets, not to exceed 3.5 percent of the proceeds of the loan or bond issue.

(B) A reasonable amount of installation costs and other reasonable costs associated with placing an active business asset in service in the qualified business activity.

(C) An amount not in excess of 10 percent of the total amount of investment in qualified assets to finance the acquisition of inventory, and other working capital requirements, but if an investment is in connection with a manufacturing or farming business, the percentage limitation shall be 50 percent rather than 10 percent provided the excess over the 10 percent limitation is used to finance inventory property. For purposes of this paragraph (c), whether a business is a manufacturing business shall be determined under principles similar to those described in section 954(d)(1)(A) and the regulations thereunder; whether a business is a farming business shall be determined under § 1.263-1T(c)(4)(i).

(D) An amount not in excess of 5 percent of the sum of the investment in active business assets and the costs described in paragraphs (c)(4)(iii)(A), (B), and (C) of this section for the refinancing of an existing debt of the qualified recipient if such refinancing is incidental to an investment in active business assets. For this purpose, the replacement of an existing loan arrangement shall not be considered the refinancing of an existing indebtedness to the extent that the funds under such loan arrangement have not yet been disbursed to the qualified recipient.

(iv) *Qualified business activity.* A qualified business activity is a lawful industrial or commercial activity that is conducted as an active trade or business (under principles similar to those described in § 1.367(a)-2T(b) (2) and (3))

in a qualified Caribbean Basin country. A trade or business for purposes of this paragraph (c)(4)(iv) is any business activity meeting the principles of section 367 of the Code and described in Divisions A through I (excluding group 43 in Division E (relating to the United States Postal Service) and groups 84 (relating to museums, art galleries, and botanical and zoological gardens), 86 (relating to membership organizations), and 88 (relating to private households in Division I) of the 1987 Standard Industrial Classification Manual issued by the Executive Office of the President, Office of Management and Budget, or in the comparable provisions of any successor Standard Industrial Classification Manual that is adopted by the Commissioner of Internal Revenue in a notice, regulation, or other document published in the Internal Revenue Cumulative Bulletin.

(v) *Period of use.* The period referred to in paragraphs (c)(4)(ii)(B) and (C) of this section shall be a five year period preceding the date of acquisition with the loan proceeds, if the date of acquisition is on or before May 13, 1991. If the date of acquisition is after May 13, 1991, then the period specified in this paragraph (c)(4)(v) shall be three years preceding the date of acquisition with the loan proceeds.

(5) *Investments in development projects*—(i) *In general.* Subject to the provisions of paragraph (c)(8) of this section, this paragraph (c)(5)(i) describes the requirements in order for a loan by a qualified financial institution to qualify as an investment in a development project for purposes of section 936(d)(4)(A)(i)(II) and for this section.

(A) The amounts disbursed under the loan or bond issue must be promptly applied (as defined in paragraphs (c)(6) and (7) of this section) by (or on behalf of) the qualified recipient solely for one or more investments described in paragraph (c)(4)(i)(A) of this section and in any land, buildings, or other property functionally related and subordinate to a facility described in paragraph (c)(5)(ii) of this section (determined under principles similar to those described in § 1.103-8(a)(3)), for use

(under principles similar to those described in § 1.367(a)-2T(b)(5)) in connection with one or more activities described in paragraph (c)(5)(i)(B) of this section.

(B) The activities referred to in paragraph (c)(5)(i)(A) of this section are—

(1) A development project described in paragraph (c)(5)(ii) of this section in a qualified Caribbean Basin country; or

(2) The performance in a qualified Caribbean Basin country of a non-commercial governmental function described in paragraph (c)(5)(iv) of this section;

(C) The qualified recipient must own the assets for United States income tax purposes;

(D) The requirements of paragraph (c)(6) of this section (regarding temporary investments and time periods within which the funds must be invested) and of paragraph (c)(7) of this section (regarding the refinancing of existing funding and time periods within which funding for investments must be secured) must be satisfied.

(ii) *Development project.* For purposes of this paragraph (c), a development project is one or more facilities in a qualified Caribbean Basin country that support economic development in that country and that satisfy the public use requirement of paragraph (c)(5)(iii) of this section. Examples of facilities that may meet the public use requirement include, but are not limited to—

(A) Transportation systems and equipment, including sea, surface, and air, such as roads, railways, air terminals, runways, harbor facilities, and ships and aircraft;

(B) Communications facilities;

(C) Training and education facilities related to qualified business activities;

(D) Industrial parks, including necessary support facilities such as roads; transmission lines for water, gas, electricity, and sewage; docks; plant sites preparations; power generation; sewage disposal; and water treatment;

(E) Sports facilities;

(F) Convention or trade show facilities;

(G) Sewage, solid waste, water, and electric facilities;

(H) Housing projects pursuant to a government program designed to provide affordable housing to low or mod-

erate income families, based upon local standards; and

(I) Hydroelectric generating facilities.

(iii) *Public use requirement.* To satisfy the public use requirement in paragraph (c)(5)(ii) of this section, a facility must serve or be available on a regular basis for general public use, as contrasted with similar types of facilities which are constructed for the exclusive use of a limited number of persons as determined under principles similar to those described in § 1.103-8(a)(2).

(iv) *Non-commercial governmental functions.* For purposes of paragraph (c)(5)(i)(B) of this section, the term “non-commercial governmental functions” refers to activities that, under U.S. standards, are not customarily attributable to or carried on by private enterprises for profit and are performed for the general public with respect to the common welfare or which relate to the administration of some phase of government. For example, the operation of libraries, toll bridges, or local transportation services, and activities substantially equivalent to those carried out by the Federal Aviation Authority, Interstate Commerce Commission, or United States Postal Service, are considered non-commercial governmental functions. For purposes of this section, non-commercial government functions shall not include military activities.

(v) [Reserved]

(6) *Prompt application of borrowed proceeds.* This paragraph (c)(6) provides rules for determining whether amounts disbursed to a qualified recipient by a qualified financial institution (or a financial intermediary) shall be considered to have been promptly applied for the purpose of paragraphs (c)(4)(i)(A) and (c)(5)(i)(A) of this section.

(i) *In general.* Except as otherwise provided in paragraphs (c)(6)(ii) and (c)(7)(iii)(B) of this section, amounts disbursed to a qualified recipient by a qualified financial institution (or a financial intermediary) shall be considered to have been promptly applied for the purpose of paragraphs (c)(4)(i)(A) and (c)(5)(i)(A) of this section if the amounts are fully expended for any of the purposes described in paragraphs (c)(4)(i)(A) or (c)(5)(i)(A) of this section

no later than six months from the date of such disbursement and any temporary investment of such funds by the qualified recipient during such period complies with the rules of paragraph (c)(6)(iii)(A) of this section. Where the amounts disbursed are bond proceeds described in paragraph (c)(6)(iv)(A) of this section, the six-month period shall begin on the date of issuance of the bonds. In the event the qualified financial institution (or financial intermediary) invests any part of the bond proceeds before disbursement of those proceeds to the qualified recipient, all earnings from any such investment shall be paid to the qualified recipient or applied for its benefit.

(ii) *Special rules for long term projects financed out of bond proceeds.* In the case of a long term project described in paragraph (c)(6)(iv)(B) of this section that is financed out of bond proceeds, the six-month period described in paragraph (c)(6)(i) of this section shall be extended with respect to the amount of bond proceeds used to fund the project for such reasonable period of time as shall be necessary until completion of the project or until beginning of production (in the case of a farming business), but, in any event, not to exceed three years from the date of issuance of the bonds, and only if—

(A) The project that is financed out of bond proceeds was identified as of the date of issue;

(B) A construction and expenditure plan certified by an independent expert (such as an engineer, an architect, or a farming expert) is filed with, and approved by, the Commissioner of Financial Institutions of Puerto Rico (or his delegate) prior to the date of issue, which makes a reasonable estimate, as of the date of filing of the plan, of the amounts and uses of the bond proceeds and the time of completion or production, and includes a schedule of progress payments until such time;

(C) The terms of the construction and expenditure plan are disclosed in the public offering memorandum, private placement memorandum, or similar document prepared for information or disclosure purposes in relation to the issuance of bonds; and

(D) Any temporary investment of the bond proceeds complies with the rules

of paragraph (c)(6)(iii)(A) and (B) of this section.

(iii) *Temporary investments—(A) During six-month period.* During the six-month period described in paragraph (c)(6)(i) of this section, during the first six months of the period described in paragraph (c)(6)(ii) of this section, and during the 30-day period described in paragraph (c)(7)(iii)(A) of this section, loan proceeds disbursed to a qualified recipient, bond proceeds, and income from the investment thereof, may be held in unrestricted yield investments, provided such yield reflects normal market yield for such type of investments and provided the income from such investments, if any, is or would be sourced either in Puerto Rico or in a country in which the investment in active business assets or development project is to be made.

(B) *During other periods.* During any other period, any temporary investment of bond proceeds, and of income from such investments, shall be limited to investments in eligible activities. For purposes of this paragraph (c)(6)(iii)(B), the term “eligible activities” shall mean those investments described in section 6.2.4 of Puerto Rican Regulation No. 3582, as in effect on September 22, 1989.

(iv) *Definitions—(A) Bond proceeds.* For purposes of this paragraph (c), bond proceeds shall mean the proceeds from the issuance of obligations by way of a public offering or a private placement by a qualified financial institution for investment in active business assets or a development project that has been identified at the time of issue and is described in a public offering memorandum, private placement memorandum, or similar document prepared for information or disclosure purposes in relation to the issuance of the bonds.

(B) *Long term project.* For purposes of this section, the term long term project means—

(1) A project, whether or not under a contract, for the construction, rehabilitation, improvement, upgrading, or production of qualified assets, or for expenditures, described in paragraph (c)(4)(ii) of this section (other than paragraph (c)(4)(ii)(C) of this section),

which is reasonably expected to require more than 12 months to complete; or

(2) The production of property in a farming business referred to in paragraph (c)(4)(ii)(E) of this section, which is reasonably expected to require a preproductive period in excess of 12 months.

(7) *Financing of previously incurred costs.* Loan or bond proceeds which are disbursed after a qualified recipient has paid or incurred part or all of the costs of acquiring active business assets or investing in a development project shall be considered to have been applied for such purposes only as provided in this paragraph (c)(7).

(i) *Replacement of temporary non-section 936 financing of a qualified investment.* This paragraph (c)(7)(i) prescribes the maximum time limits within which temporary non-section 936 financing of qualified investments may be replaced with section 936 funds without being considered a prohibited refinancing transaction. This paragraph (c)(7)(i) applies to the refinancing of costs incurred with respect to investments that, at the time the costs were first incurred, were either qualified investments in a qualified Caribbean Basin country or were investments by a qualified recipient in active business assets or a development project in a qualified Caribbean Basin country. This paragraph (c)(7)(i) applies also to the refinancing of costs incurred with respect to any other investment. However, in the latter case, the amount of costs that may be refinanced with section 936 funds is limited to the amount of costs that are incurred with respect to the investment after the investment becomes a qualified investment in a qualified Caribbean Basin country. For purposes of this paragraph (c)(7)(i), the time when costs are incurred shall be determined under principles similar to those applicable under section 461(h) dealing with the economic performance test for the accrual of deductible liabilities. This paragraph (c)(7)(i) applies only to the situations described in this paragraph (c)(7)(i).

(A) In the case of an investment in active business assets or a development project, a loan shall be a qualified investment for purposes of this paragraph (c) if the loan proceeds are dis-

bursed, or the obligations are issued, no later than six months after the date on which the qualified recipient takes possession of the asset or the facility or, if earlier, places the asset or the facility in service. However, in the case of a small project described in paragraph (c)(8)(v) of this section, the six-month period shall be one year.

(B) In the case of an investment in active business assets or a development project that is part of a long term project described in paragraph (c)(6)(iv)(B) of this section, a loan shall also be a qualified investment for purposes of this paragraph (c) if the loan proceeds are disbursed, or the obligations are issued, no later than six months after completion of the project or, in the case of a farming business, after the beginning of production, and in any event, no later than three years after the date on which the first payment is made toward the eligible costs of the project. The amount of the qualified investment may not exceed the sum of—

(1) The eligible costs relating to investments described in paragraph (c)(4)(i)(A) in the case of an investment in active business assets, or the eligible costs relating to investments described in paragraph (c)(5)(i) of this section in the case of a development project, but only to the extent of the costs that are incurred after the date described in paragraph (c)(7)(i)(D) of this section, and

(2) The portion of unpaid interest that would be required to be capitalized under U.S. tax rules and that accrued on prior temporary non-section 936 financing from the date described in paragraph (c)(7)(i)(D) of this section through the date the section 936 loan proceeds are disbursed or the section 936 obligations are issued.

(C) In order to qualify for the special rules of this paragraph (c)(7)(i), a plan must be filed with the Commissioner of Financial Institutions of Puerto Rico (or his delegate) stating the qualified recipient's intention to refinance the costs of the long term project with section funds.

(D) The date referred to in paragraph (c)(7)(i)(B) (1) and (2) of this section is a date that is the later of—

(1) The date the plan described in paragraph (c)(7)(i)(C) is filed, or

(2) The date the investment becomes a qualified investment by a qualified recipient in active business assets or a development project in a qualified Caribbean Basin country.

(ii) *Refinancing of section 936 financing.* A section 936 loan or bond issue used to finance a qualified investment described in paragraph (c)(1) of this section may be refinanced with section 936 funds through a new loan or bond issue to the extent of the remaining principal balance on such existing qualified financing, increased by the amount of unpaid interest accrued through the date the new loan proceeds are disbursed or the new obligations are issued and that would be required to be capitalized under U.S. tax rules.

(iii) *Prompt application of borrowed proceeds—(A) In general.* In the case of a loan or bond issue described in paragraph (c)(7)(i) or (ii) of this section, the rules of paragraph (c)(6) of this section shall apply but the six-month period described in paragraph (c)(6)(i) of this section shall be limited to 30 days from the date of disbursement of loan proceeds to the qualified recipient or from the date of issuance in the case of a bond issue.

(B) *Special rules for long term projects financed out of bond proceeds.* In the case of a long term project described in paragraph (c)(6)(iv)(B) of this section that is financed out of bond proceeds, the 30-day period described in paragraph (c)(7)(iii)(A) of this section shall be extended with respect to the amount of bond proceeds used for the permanent financing of the long term project for such reasonable period of time as shall be necessary until completion of the project or beginning of production (in the case of a farming business), but, in any event, not to exceed three years from the date of issuance of the bonds. For purposes of this paragraph (c)(7)(iii)(B), the period of time shall be considered reasonable only if—

(1) A construction and expenditure plan certified by an independent expert (such as an engineer, an architect, or a farming expert) is filed with, and approved by, the Commissioner of Financial Institutions of Puerto Rico (or his delegate) prior to the date of issue,

which makes a reasonable estimate, as of the date of issue, of the amounts and uses of the bond proceeds and the time of completion or production, and includes a schedule of progress payments until such time; and

(2) The terms of the construction and expenditure plan are disclosed in the public offering memorandum, private placement memorandum, or similar document prepared for information or disclosure purposes in relation to the bond issue.

(8) *Miscellaneous operating rules—(i) Sale and leaseback.* An asset that is acquired and leased back to the person from whom acquired does not constitute an investment in an active business asset or an investment in a development project.

(ii) *Use of asset in qualified business activity.* For purposes of paragraph (c)(4)(i)(B), an asset shall be considered used or held for use in a qualified business activity if it is used or held for use in such activity under principles similar to those described in §1.367(a)-2T(b)(5), or a successor provision.

(iii) *Definition of capital expenditures.* For purposes of this paragraph (c), capital expenditures mean those expenditures described in section 263(a) of the Code (without regard to paragraphs (A) through (G) of section 263(a)(1)), and those costs required to be capitalized under section 263A with respect to property described in section 263A(b)(1), relating to self-constructed assets.

(iv) *Loans through certain financial intermediaries.* A loan by a qualified financial institution shall not be disqualified from being an investment in active business assets or in a development project merely because the proceeds are first lent to a financial intermediary (as defined in paragraph (c)(8)(iv)(H) of this section) which, in turn, on-lends the proceeds directly to a qualified recipient, provided the requirements of this paragraph (c)(8)(iv) are satisfied.

(A) The loan to the qualified recipient must satisfy the requirements of paragraph (c)(4)(i) of this section in the case of an investment in active business assets, or of paragraph (c)(5)(i) of this section in the case of an investment in a development project.

(B) The qualified recipient and the active business assets or development project in which the proceeds are to be invested must be identified prior to disbursement of any part of the proceeds by the qualified financial institution to the financial intermediary.

(C) The effective interest rate charged by the qualified financial institution to the financial intermediary must not exceed the average interest rate paid by the qualified financial institution with respect to its eligible funds, increased by such number of basis points as is required to provide reasonable compensation to the qualified financial institution for services performed and risks assumed with respect to the loan to the financial intermediary that are not ordinarily required to be performed or assumed with respect to a deposit, loan, repurchase agreement or other transfer of eligible funds with another qualified financial institution. The average interest rate shall be the average rate, determined on a daily basis, paid by the qualified financial institution on its eligible funds over the most recent quarter preceding the date on which the rate on the loan to the financial intermediary is committed.

(D) The effective interest rate charged by the financial intermediary to the qualified recipient must not exceed the effective interest rate charged to the financial intermediary by the qualified financial institution, increased by such number of basis points as is required to provide reasonable compensation to the financial intermediary for services performed and risks assumed with respect to the loan to the qualified recipient.

(E) The financial intermediary must borrow from the qualified financial institution under substantially the same terms as it lends to the qualified recipient. In particular, both loans must have disbursement terms, repayment schedules and maturity dates for interest and principal amounts such that the financial intermediary does not retain for more than 48 hours any of the funds disbursed by the qualified financial institution nor any of the funds paid by the qualified recipient in repayment of principal or interest on the loan.

(F) The financial institution and the financial intermediary must agree to comply with the due diligence requirements described in paragraphs (c)(11), (12), and (13) of this section;

(G) The time periods and temporary investments rules in paragraphs (c)(6) and (7) of this section must be complied with; and

(H) For purposes of this paragraph (c), the financial intermediary must be—

(1) An active trade or business which a person maintains in a qualified Caribbean Basin country and which consists of a banking, financing or similar business as defined in § 1.864-4(c)(5)(i) (other than a central bank of issue); or

(2) A public international organization, the principal purpose of which is to foster economic development in developing countries and which is described in section 1 of the International Organizations Immunities Act (22 U.S.C. 288).

For purposes of paragraphs (c)(8)(iv)(C) and (D) of this section, the determination of whether compensation is reasonable shall be made in relation to normal commercial practices for comparable transactions carrying a similar degree of commercial, currency and political risk. Reasonable credit enhancement fees and other reasonable fees and amounts charged to the financial intermediary or the qualified recipient with respect to the loan transaction in addition to interest shall be added to the interest cost in determining the effective interest rate.

(v) *Small project.* For purposes of this paragraph (c), a small project shall be a project (including the acquisition of an asset) for which the total amount of section 936 funds used for its financing does not exceed \$1,000,000 in the aggregate, or such other amount as the Commissioner may publish, from time to time, in the Internal Revenue Bulletin.

(9) *Qualified recipient.* For purposes of this section, a qualified recipient is any person described in paragraph (c)(9)(i) or (ii) of this section. The term “person” means a person described in section 7701(a)(1) or a government (within the meaning of § 1.892-2T(a)(1)) of a qualified Caribbean Basin country.

(i) In the case of an investment described in paragraph (c)(4) of this section (relating to investments in active business assets), a qualified recipient is a person that carries on a qualified business activity in a qualified Caribbean Basin country, and complies with the agreement and certification requirements described in paragraph (c)(11)(i) of this section at all times during the period in which the investment remains outstanding.

(ii) In the case of an investment described in paragraph (c)(5) of this section (relating to investments in development projects), a qualified recipient is the borrower (including a person empowered by the borrower to authorize expenditures for the investment in the development project) that has authority to comply, and complies, with the agreement and certification requirements described in paragraph (c)(11)(i) of this section at all times during the period in which the investment remains outstanding.

(10) *Investments in a qualified Caribbean Basin country—(i) Rules for determining the place of an investment.* The rules of this paragraph (c)(10)(i) shall apply to determine the extent to which an investment in an active business asset or a development project will be considered made in qualified Caribbean Basin Country.

(A) An investment in real property is considered made in the qualified Caribbean Basin country in which the real property is located.

(B) Except as otherwise provided in this paragraph (c)(10)(i)(B), an investment in tangible personal property is considered made in a qualified Caribbean Basin Country so long as the tangible personal property is predominantly used in that country. Whether property is used predominantly in a qualified Caribbean Basin country shall be determined under principles similar to those described in §1.48-1(g)(1), (g)(2)(ii), (g)(2)(iv), (g)(2)(vi), (g)(2)(viii), and (g)(2)(x) (relating to investment tax credits for property used outside the United States) as in effect on December 31, 1985. A vessel, container, or aircraft shall be considered for use predominantly in a qualified Caribbean Basin country in any year if it is used for transport to and from such country

with some degree of frequency during that year and at least 30 percent of the income from the use of such vessel, container or aircraft for that year is sourced in such country under principles similar to those described in section 863(c)(1) and (2) (relating to source rules for certain transportation income). Cables and pipelines which are permanently installed as part of a communication or transportation system between a qualified Caribbean Basin country and another country or among several countries which include a qualified Caribbean Basin country shall be considered used in a qualified Caribbean Basin country to the extent of 50 percent of the portion of the facility that directly links the qualified country to another country or to a hub, unless it is established by notice or other guidance published in the Internal Revenue Bulletin or by ruling issued to a qualified institution or qualified recipient upon request that it is appropriate to attribute a greater portion of the cost of the facility to the qualified Caribbean Basin country.

(C) An investment in rights to intangible property is considered made in a qualified Caribbean Basin country to the extent such rights are used in that country. Where rights to intangible property are used shall be determined under principles similar to those described in §1.954-2T(b)(3)(vii) or a successor provision.

(ii) *Qualified Caribbean Basin country.* For purposes of this section, the term “qualified Caribbean Basin country” means any beneficiary country (within the meaning of section 212(a)(1)(A) of the Caribbean Basin Economic Recovery Act, Public Law 98-67 (Aug. 5, 1983), 97 Stat. 384, 19 U.S.C. 2702(a)(1)(A)), which meets the requirements of section 274(h)(6)(A)(i) and (ii) and the U.S. Virgin Islands, and includes the territorial waters and continental shelf thereof.

(11) *Agreements and certifications by qualified recipients and financial intermediaries—(i) In general.* In order for an investment to be considered a qualified investment under section 936(d)(4) and paragraph (c)(1) of this section, a qualified recipient must certify to the qualified financial institution (or to the financial intermediary, if the loan is

made through a financial intermediary) on the date of closing of the loan agreement and on each anniversary date thereof, that it is a qualified recipient described in paragraph (c)(9) of this section. In addition, the qualified recipient must agree in the loan agreement with the qualified financial institution (or with the financial intermediary, if the loan is made through a financial intermediary)—

(A) To use the funds at all times during the period the loan is outstanding solely for the purposes and in the manner described in paragraph (c)(4) of this section (regarding investment in active business assets) or in paragraph (c)(5) of this section (regarding investment in development projects);

(B) To comply with the requirements of paragraph (c)(6) of this section (regarding temporary investments and time periods within which the funds must be invested) and paragraph (c)(7) of this section (regarding the refinancing of existing funding and the time periods within which funding for investments must be secured);

(C) To notify the Assistant Commissioner (International), the qualified financial institution (or the financial intermediary, if the loan is made through a financial intermediary), and the Commissioner of Financial Institutions of Puerto Rico (or his delegate) pursuant to paragraph (c)(14) of this section if it no longer is a qualified recipient or if, for any other reason, the investment has ceased to qualify as a qualified investment described in paragraph (c)(1) of this section, promptly upon the occurrence of such disqualifying event; and

(D) To permit examination by the office of the Assistant Commissioner (International) (or by the office of any District Director authorized by the Assistant Commissioner (International)) and the Commissioner of Financial Institutions of Puerto Rico (or his delegate) of all necessary books and records that are sufficient to verify that the funds were used for investments in active business assets or development projects in conformity with the terms of the loan agreement.

(ii) *Certification by a financial intermediary.* In the case of a loan by a qualified financial institution to a fi-

ancial intermediary, the financial intermediary must certify to the qualified financial institution (using the procedures described in paragraph (c)(11)(i) of this section) that it is a financial intermediary described in paragraph (c)(8)(iv)(H) of this section, and must furnish to the qualified financial institution a copy of the qualified recipient's certification described in paragraph (c)(11)(i) of this section and of its loan agreement with the qualified recipient. In addition, the financial intermediary must agree in the loan agreement with the qualified financial institution:

(B) To permit examination by the office of the Assistant Commissioner (International) (or by the office of any District Director authorized by the Assistant Commissioner (International)) and the Commissioner of Financial Institutions of Puerto Rico (or his delegate) of all its necessary books and records that are sufficient to verify that the funds were used in conformity with the terms of the loan agreements.

(12) *Certification requirements.* In order for an investment to be considered a qualified investment under section 936(d)(4), section 936(d)(4)(C)(i) requires that both the person in whose trade or business such investment is made and the financial institution certify to the Secretary of the Treasury and the Commissioner of Financial Institutions of Puerto Rico that the proceeds of the loan will be promptly used to acquire active business assets or to make other authorized expenditures. This certification requirement is satisfied as to the qualified financial institution, the financial intermediary (if any), and the qualified recipient if the qualified financial institution submits a certificate to both the Assistant Commissioner (International) and to the Commissioner of Financial Institutions of Puerto Rico (or his delegate) pursuant to paragraph (c)(14) of this section upon authorization of the investment by the Commissioner of Financial Institutions and, in any event, prior to the first disbursement of the loan proceeds to the qualified recipient or to the financial intermediary (if any), in

which the qualified financial institution—

(ii) Describes the important terms of the loan to the financial intermediary (if any) and to the qualified recipient, including the amount of the loan, the nature of the investment, the basis for its qualification as an investment in active business assets or a development project under this section, the identity of the financial intermediary (if any) and of the qualified recipient, the qualified Caribbean Basin country involved, and the nature of the collateral or other security used, including any guarantee;

(iii) Agrees to permit examination by the Assistant Commissioner (International) (or by the office of any District Director authorized by the Assistant Commissioner (International)) and the Commissioner of Financial Institutions of Puerto Rico (or his delegate) of all its necessary books and records that are sufficient to verify that the funds were used for investments in active business assets or development projects in conformity with the terms of the loan agreement or agreements with the financial intermediary (if any) and with the qualified recipient; and

(iv) In the case of a single-purpose entity that is a qualified financial institution, discloses the name and address of the entity's trustee or agent, if any, that assists the qualified financial institution in the performance of its due diligence requirement under paragraph (c) of this section, and represents that the trustee or agent has agreed with the qualified financial institution to permit examination by the Assistant Commissioner (International) (or by the office of any District Director authorized by the Assistant Commissioner (International)) and the Commissioner of Financial Institutions of Puerto Rico (or his delegate) of all necessary books and records of such trustee or agent that are sufficient to verify that the funds were used for investments in active business assets or de-

velopment projects in conformity with the terms of the loan agreement or agreements with the financial intermediary (if any) and with the qualified recipient.

(13) *Continuing due diligence requirements.* In order to maintain the qualification for an investment under paragraph (c)(1) of this section, the continuing due diligence requirements described in this paragraph (c)(13) must be satisfied.

(i) *Requirements of qualified recipient.* A qualified recipient must—

(A) Submit annually to the qualified financial institution or to the financial intermediary from which its qualified funds were obtained a copy of its most recent annual financial statement accompanied by an opinion of an independent accountant familiar with the financials of the qualified recipient disclosing the amount of the loan, the current outstanding balance of the loan, describing the assets financed with such loan and the qualified business activity in which such assets are used or the development project for which the loan is used, and stating that there are no reasons to doubt that the loan proceeds have been properly used and continue to be properly used, and

(B) Act in a manner consistent with its representations and agreements described in paragraph (c)(11) of this section.

In addition, the qualified financial institution is required to notify the Assistant Commissioner (International) and the Commissioner of Financial Institutions of Puerto Rico (or his delegate) pursuant to paragraph (c)(14) of this section upon becoming aware that a loan has ceased to be an investment in active business assets or a development project under this section. For purposes of this paragraph (c)(13)(ii), multiple loans for investment in a single qualified business activity or development project will be

aggregated in determining what due diligence requirements apply.

(A) In the case of a small project described in paragraph (c)(8)(v) of this section, the following documents must be maintained and available for inspection:

(1) The loan application or other similar document;

(2) The financial statements of the qualified recipient filed as part of the loan application;

(1) A memorandum of credit prepared by an officer of the qualified financial institution (or, in the case of a single purpose entity, an agent of the entity or a trustee for the entity, if any) and signed by the officer of the qualified financial institution, containing the details of the investigation and review that the qualified financial institution, or its trustee or agent, if any, conducted in order to evaluate whether the investment is qualified under paragraph (c)(1) of this section and the opinion of the officer of the qualified financial institution, or the opinion of an officer of the agent of, or of the trustee for, the qualified financial in-

stitution, if any, that there is no reasonable ground for belief that the qualified funds will be diverted to a use that is not permitted under the provisions of this section; in making this investigation and review, factors that must be utilized are ones similar to those listed in Puerto Rico Regulation No. 3582, section 6.4.2;

(2) The annual financial statement of the qualified recipient; and

(3) The written report of an officer of the qualified financial institution, or of an officer of an agent of, or of the trustee for, the qualified financial institution, if any, documenting discussions, both before and after the disbursement of the loan proceeds, with each recipient's accounting, financial and executive personnel with respect to the proposed and actual use of the loan proceeds and his analysis of the annual financial statements of the qualified recipient including an analysis of the statement of sources and uses of funds. After the loan disbursement, such discussions and review shall occur annually during the term of the loan. Such report shall include the conclusion that in such officer's opinion there is no reasonable ground for belief that the qualified recipient is improperly utilizing the funds.

(iii) *Requirements in the case of a financial intermediary.* Where a qualified financial institution lends funds to a financial intermediary which are on-lent to a qualified recipient—

(B) The financial intermediary shall forward annually to the qualified financial institution a copy of the documentation it is required to maintain in its records pursuant to the provisions of this paragraph (c)(13)(iii) and shall notify the Assistant Commissioner (International), the Commissioner of Financial Institutions of Puerto Rico

(or his delegate) and the qualified financial institution pursuant to paragraph (c)(14) of this section upon becoming aware that a loan has ceased to be an investment in active business assets or a development project under this section. The qualified financial institution must maintain in its records and have available for inspection the documentation furnished by the financial intermediary pursuant to this paragraph (c)(13)(iii)(B).

(C) The qualified financial institution shall cause one of its officers (or one of the officers of its agent or trustee, if any) to prepare a written report documenting his analysis of the documentation furnished by the financial intermediary pursuant to paragraph (c)(13)(iii)(B) of this section, his discussions, both before and after the disbursement of the loan proceeds, with the financial intermediary's accounting, financial and executive personnel with respect to the proposed and actual use of the loan proceeds, and his analysis of the annual financial statements of the qualified recipient including an analysis of the statement of sources and uses of funds.
