

Example 2. The facts are the same as in *Example 1*, except that on January 1, 1992, P sells S's indebtedness to J, who is not related to S within the meaning of paragraph (d)(2) of this section, for \$9,400,000 in cash. J holds S's indebtedness to maturity. On January 1, 1993, P's adjusted basis in S's indebtedness is \$9,289,144.88. Accordingly, P realizes gain in the amount of \$110,855.12 upon the disposition. S and J continue to deduct and include the original issue discount on the indebtedness in accordance with *Example 1*. The amount of original issue discount includible by J is reduced by the \$110,855.12 acquisition premium as provided in section 1272(a)(7).

Example 3. The facts are the same as in *Example 1*, except that on February 1, 1992 (one month after P purchased S's indebtedness), S retires the indebtedness for an amount of cash equal to the fair market value of the indebtedness. Assume that the fair market value of the indebtedness is \$9,022,621.41, which in this case equals the issue price of indebtedness determined under paragraph (g)(1) of this section (\$9,000,000) plus the accrued original issue discount through February 1 (\$22,621.41). Section 1.61-12(c)(3) provides that if indebtedness is repurchased for a price that is exceeded by the issue price of the indebtedness plus the amount of discount already deducted, the excess is income from discharge of indebtedness. Therefore, S does not realize income from discharge of indebtedness. The result would be the same if P had contributed the indebtedness to the capital of S. Under section 108(e)(6), S would be treated as having satisfied the indebtedness with an amount of money equal to P's adjusted basis and, under section 1272(d)(2), P's adjusted basis is equal to \$9,022,621.41.

Example 4. (i) P, a domestic corporation, owns 70 percent of the single class of stock of S, a domestic corporation. On January 1, 1986, P issued indebtedness that has an issue price of \$5,000,000 and provides for no stated interest payments and a payment at maturity of \$10,000,000. The indebtedness has a stated maturity date of December 31, 1995. On January 1, 1992, S purchases P's indebtedness from K, a partnership not related to P within the meaning of paragraph (d)(2) of this section, for cash in the amount of \$6,000,000. The sum of the debt's issue price and previously deducted original issue discount is \$7,578,582.83. P repays the indebtedness in full at maturity.

(ii) Under section 61(a)(12), section 108(e)(4), and paragraphs (a) and (f) of this section, P realizes \$1,578,582.83 in income from discharge of indebtedness (\$7,578,582.83 minus \$6,000,000) on January 1, 1992.

(iii) Under paragraph (g)(1) of this section, the indebtedness is treated as issued to S on January 1, 1992, with an issue price of \$6,000,000. Under section 1273(a), the \$4,000,000 excess of the stated redemption price at maturity of the indebtedness (\$10,000,000) over

its issue price (\$6,000,000) is original issue discount, which is includible in gross income by S and deductible by P over the remaining term of the indebtedness under sections 163(e) and 1272(a).

(iv) Accordingly, P deducts and S includes in income original issue discount as follows: in 1992, \$817,316.20; in 1993, \$928,650.49; in 1994, \$1,055,150.67; and in 1995, \$1,198,882.64.

(h) *Effective date.* This section applies to any transaction described in paragraph (a) and in either paragraph (b) or (c) of this section with an acquisition date on or after March 21, 1991. Although this section does not apply to direct or indirect acquisitions occurring before March 21, 1991, section 108(e)(4) is effective for any transaction after December 31, 1980, subject to the rules of section 7 of the Bankruptcy Tax Act of 1980 (Pub. L. 96-589, 94 Stat. 3389, 3411). Taxpayers may use any reasonable method of determining the amount of discharge of indebtedness income realized and the treatment of correlative adjustments under section 108(e)(4) for acquisitions of indebtedness before March 21, 1991, if such method is applied consistently by both the debtor and related holder.

§ 1.108-3 Intercompany losses and deductions.

(a) *General rule.* This section applies to certain losses and deductions from the sale, exchange, or other transfer of property between corporations that are members of a consolidated group or a controlled group (an intercompany transaction). See section 267(f) (controlled groups) and § 1.1502-13 (consolidated groups) for applicable definitions. For purposes of determining the attributes to which section 108(b) applies, a loss or deduction not yet taken into account under section 267(f) or § 1.1502-13 (an intercompany loss or deduction) is treated as basis described in section 108(b) that the transferor retains in property. To the extent a loss not yet taken into account is reduced under this section, it cannot subsequently be taken into account under section 267(f) or § 1.1502-13. For example, if S and B are corporations filing a consolidated return, and S sells land with a \$100 basis to B for \$90 and the \$10 loss is deferred under section 267(f) and

§1.1502-13, the deferred loss is treated for purposes of section 108(b) as \$10 of basis that S has in land (even though S has no remaining interest in the land sold to B) and is subject to reduction under section 108(b)(2)(E). Similar principles apply, with appropriate adjustments, if S and B are members of a controlled group and S's loss is deferred only under section 267(f).

(b) *Effective date.* This section applies with respect to discharges of indebtedness occurring on or after September 11, 1995.

§ 1.108-4 Election to reduce basis of depreciable property under section 108(b)(5) of the Internal Revenue Code .

(a) *Description.* An election under section 108(b)(5) is available whenever a taxpayer excludes discharge of indebtedness income (COD income) from gross income under sections 108(a)(1)(A), (B), or (C) (concerning title 11 cases, insolvency, and qualified farm indebtedness, respectively). See sections 108(d)(2) and (3) for the definitions of *title 11 case* and *insolvent*. See section 108(g)(2) for the definition of *qualified farm indebtedness*.

(b) *Time and manner.* To make an election under section 108(b)(5), a taxpayer must enter the appropriate information on Form 982, *Reduction of Tax Attributes Due to Discharge of Indebtedness (and Section 1082 Basis Adjustment)*, and attach the form to the timely filed (including extensions) Federal income tax return for the taxable year in which the taxpayer has COD income that is excluded from gross income under section 108(a). An election under this section may be revoked only with the consent of the Commissioner.

(c) *Effective date.* This section applies to elections concerning discharges of indebtedness occurring on or after October 22, 1998.

§ 1.108-5 Time and manner for making election under the Omnibus Budget Reconciliation Act of 1993.

(a) *Description.* Section 108(c)(3)(C), as added by section 13150 of the Omnibus Budget Reconciliation Act of 1993 (Pub. L. 103-66, 107 Stat. 446), allows certain

noncorporate taxpayers to elect to treat certain indebtedness described in section 108(c)(3) that is discharged after December 31, 1992, as qualified real property business indebtedness. This discharged indebtedness is excluded from gross income to the extent allowed by section 108.

(b) *Time and manner for making election.* The election described in this section must be made on the timely-filed (including extensions) Federal income tax return for the taxable year in which the taxpayer has discharge of indebtedness income that is excludible from gross income under section 108(a). The election is to be made on a completed Form 982, in accordance with that Form and its instructions.

(c) *Revocability of election.* The election described in this section is revocable with the consent of the Commissioner.

(d) *Effective date.* The rules set forth in this section are effective December 27, 1993.

[T.D. 8688, 61 FR 65322, Dec. 12, 1996. Redesignated by T.D. 8787, 63 FR 56563, Oct. 22, 1998]

§ 1.108-6 Limitations on the exclusion of income from the discharge of qualified real property business indebtedness.

(a) *Indebtedness in excess of value.* With respect to any qualified real property business indebtedness that is discharged, the amount excluded from gross income under section 108(a)(1)(D) (concerning discharges of qualified real property business indebtedness) shall not exceed the excess, if any, of the outstanding principal amount of that indebtedness immediately before the discharge over the net fair market value of the qualifying real property, as defined in §1.1017-1(c)(1), immediately before the discharge. For purposes of this section, *net fair market value* means the fair market value of the qualifying real property (notwithstanding section 7701(g)), reduced by the outstanding principal amount of any qualified real property business indebtedness (other than the discharged indebtedness) that is secured by such property immediately before and after the discharge. Also, for purposes of section 108(c)(2)(A) and this section, *outstanding principal amount* means the
