

§1.1502-13, the deferred loss is treated for purposes of section 108(b) as \$10 of basis that S has in land (even though S has no remaining interest in the land sold to B) and is subject to reduction under section 108(b)(2)(E). Similar principles apply, with appropriate adjustments, if S and B are members of a controlled group and S's loss is deferred only under section 267(f).

(b) *Effective date.* This section applies with respect to discharges of indebtedness occurring on or after September 11, 1995.

§ 1.108-5 Time and manner for making election under the Omnibus Budget Reconciliation Act of 1993.

(a) *Description.* Section 108(c)(3)(C), as added by section 13150 of the Omnibus Budget Reconciliation Act of 1993 (Pub. L. 103-66, 107 Stat. 446), allows certain

noncorporate taxpayers to elect to treat certain indebtedness described in section 108(c)(3) that is discharged after December 31, 1992, as qualified real property business indebtedness. This discharged indebtedness is excluded from gross income to the extent allowed by section 108.

§ 1.108-6 Limitations on the exclusion of income from the discharge of qualified real property business indebtedness.

(a) *Indebtedness in excess of value.* With respect to any qualified real property business indebtedness that is discharged, the amount excluded from gross income under section 108(a)(1)(D) (concerning discharges of qualified real property business indebtedness) shall not exceed the excess, if any, of the outstanding principal amount of that indebtedness immediately before the discharge over the net fair market value of the qualifying real property, as defined in §1.1017-1(c)(1), immediately before the discharge. For purposes of this section, *net fair market value* means the fair market value of the qualifying real property (notwithstanding section 7701(g)), reduced by the outstanding principal amount of any qualified real property business indebtedness (other than the discharged indebtedness) that is secured by such property immediately before and after the discharge. Also, for purposes of section 108(c)(2)(A) and this section, *outstanding principal amount* means the

principal amount of indebtedness together with all additional amounts owed that, immediately before the discharge, are equivalent to principal, in that interest on such amounts would accrue and compound in the future, except that outstanding principal amount shall not include amounts that are subject to section 108(e)(2) and shall be adjusted to account for unamortized premium and discount consistent with section 108(e)(3).

(b) *Overall limitation.* The amount excluded from gross income under section 108(a)(1)(D) shall not exceed the aggregate adjusted bases of all depreciable real property held by the taxpayer immediately before the discharge (other than depreciable real property acquired in contemplation of the discharge) reduced by the sum of any—

(1) Depreciation claimed for the taxable year the taxpayer excluded discharge of indebtedness from gross income under section 108(a)(1)(D); and

(2) Reductions to the adjusted bases of depreciable real property required under section 108(b) or section 108(g) for the same taxable year.

(c) *Effective date.* This section applies to discharges of qualified real property business indebtedness occurring on or after October 22, 1998.

§ 1.108(c)-1T [Reserved]

§ 1.109-1 Exclusion from gross income of lessor of real property of value of improvements erected by lessee.

(a) Income derived by a lessor of real property upon the termination, through forfeiture or otherwise, of the lease of such property and attributable to buildings erected or other improvements made by the lessee upon the leased property is excluded from gross income. However, where the facts disclose that such buildings or improvements represent in whole or in part a liquidation in kind of lease rentals, the exclusion from gross income shall not apply to the extent that such buildings or improvements represent such liquidation. The exclusion applies only with respect to the income realized by the lessor upon the termination of the lease and has no application to income, if any, in the form of rent, which may

be derived by a lessor during the period of the lease and attributable to buildings erected or other improvements made by the lessee. It has no application to income which may be realized by the lessor upon the termination of the lease but not attributable to the value of such buildings or improvements. Neither does it apply to income derived by the lessor subsequent to the termination of the lease incident to the ownership of such buildings or improvements.

(b) The provisions of this section may be illustrated by the following example:

Example. The A Corporation leased in 1945 for a period of 50 years unimproved real property to the B Corporation under a lease providing that the B Corporation erect on the leased premises an office building costing \$500,000, in addition to paying the A Corporation a lease rental of \$10,000 per annum beginning on the date of completion of the improvements, the sum of \$100,000 being placed in escrow for the payment of the rental. The building was completed on January 1, 1950. The lease provided that all improvements made by the lessee on the leased property would become the absolute property of the A Corporation on the termination of the lease by forfeiture or otherwise and that the lessor would become entitled on such termination to the remainder of the sum, if any, remaining in the escrow fund. The B Corporation forfeited its lease on January 1, 1955, when the improvements had a value of \$100,000. Under the provisions of section 109, the \$100,000 is excluded from gross income. The amount of \$50,000 representing the remainder in the escrow fund is forfeited to the A Corporation and is included in the gross income of that taxpayer. As to the basis of the property in the hands of the A Corporation, see § 1.1019-1.

§ 1.110-1 Qualified lessee construction allowances.

(a) *Overview.* Amounts provided to a lessee by a lessor for property to be constructed and used by the lessee pursuant to a lease are not includible in the lessee's gross income if the amount is a qualified lessee construction allowance under paragraph (b) of this section.

(b) *Qualified lessee construction allowance—(1) In general.* A qualified lessee construction allowance means any amount received in cash (or treated as a rent reduction) by a lessee from a lessor—
