

the rules applicable to inclusions of income from the pass through entity.

(ii) *Pass through entity does not make a section 1295 election.* If the pass through entity does not make a section 1295 election with respect to the PFIC, the shares of which were transferred to the pass through entity subject to the 1295 election of the shareholder, the shareholder continues to be subject, in its capacity as an indirect shareholder, to the income inclusion rules of section 1293 and reporting rules required of shareholders of QEFs. Proper adjustments to reflect an inclusion in income under section 1293 by the indirect shareholder must be made, under the principles of § 1.1291-9(f), to the basis of the indirect shareholder's interest in the pass through entity.

(3) *Effective date.* Paragraph (c) of this section is applicable to taxable years of shareholders beginning after December 31, 1997.

§ 1.1294-1T Election to extend the time for payment of tax on undistributed earnings of a qualified electing fund (temporary).

(a) *Purpose and scope.* This section provides rules for making the annual election under section 1294. Under that section, a U.S. person that is a shareholder in a qualified electing fund (QEF) may elect to extend the time for payment of its tax liability which is attributable to its share of the undistributed earnings of the QEF. In general, a QEF is a passive foreign investment company (PFIC), as defined in section 1296, that makes the election under section 1295. Under section 1293, a U.S. person that owns, or is treated as owning, stock of a QEF at any time during the taxable year of the QEF shall include in gross income, as ordinary income, its pro rata share of the ordinary earnings of the QEF for the taxable year and, as long-term capital gain, its pro rata share of the net capital gain of the QEF for the taxable year. The shareholder's share of the earnings shall be included in the shareholder's taxable year in which or with which the taxable year of the QEF ends.

(b) *Election to extend time for payment—(1) In general.* A U.S. person that is a shareholder of a QEF on the last day of the QEF's taxable year may elect under section 1294 to extend the time for payment of that portion of its tax liability which is attributable to the inclusion in income pursuant to section 1293 of the shareholder's share of the QEF's undistributed earnings. The election under section 1294 may be made only with respect to undistributed earnings, and interest is imposed under section 6601 on the amount of the tax liability which is subject to the extension. This interest must be paid on the termination of the election.

(2) *Exception.* An election under this § 1.1294-1T cannot be made for a taxable year of the shareholder if any portion of the QEF's earning is includible in the gross income of the shareholder for such year under either section 551 (relating to foreign personal holding companies) or section 951 (relating to controlled foreign corporations).

(3) *Undistributed earnings—(i) In general.* For purposes of this § 1.1294-1T the
