

section 463 for the first taxable year ending after July 18, 1984, must make the election on or before the due date (determined with regard to extensions) for filing the taxpayer's income tax return for such taxable year. However, if the taxpayer's income tax return was filed for the first taxable year ending after July 18, 1984, prior to March 6, 1986, the taxpayer must make the election by the later of the due date (determined with regard to extensions) for filing the taxpayer's income tax return, or May 5, 1986. In this case, the election must be made by filing an amended return (showing adjustments, if any) for such year and attaching the statement required by paragraph (e) of this section on or before the later of the due date (determined with regard to extensions) for filing the taxpayer's income tax return, or May 5, 1986.

(e) *Manner of making election.* A taxpayer must make the election described in paragraph (b) of this section by attaching a statement to the taxpayer's income tax return for the first taxable year ending after July 18, 1984. The statement must indicate that the taxpayer is electing to apply the provisions of section 463 with respect to vested accrued vacation pay for the taxpayer's first taxable year ending after July 18, 1984. The statement must contain the following information:

(1) The taxpayer's name and a description of the vacation pay plans to which the election applies.

(2) If a taxpayer has more than one trade or business and is not making the election with respect to all trades or businesses, a description of the trades or businesses to which the election applies.

(3) The opening balance in the taxpayer's accrual account. This balance equals the amount determined as if the taxpayer had maintained an account for the last taxable year ending on or before July 18, 1984, representing the taxpayer's liability for vested accrued vacation pay earned by employees before the close of the last taxable year ending on or before July 18, 1984, and payable during that taxable year or within 12 months following the close of that taxable year. If the taxpayer's liability for vacation pay includes both vested accrued vacation pay and vaca-

tion pay the liability for which is contingent, the amount in the opening balance of the accrual account that represents the taxpayer's liability for contingent vacation pay is to be determined under the rules provided in section 463(b)(2).

(4) The opening balance in the taxpayer's suspense account. This balance equals the amount determined under paragraph (e)(3) of this section less the portion allowed as deductions under section 162 for prior taxable years for vacation pay earned but not paid at the close of the last taxable year ending on or before July 18, 1984.

(f) *Vested accrued vacation pay.* For purposes of paragraphs (a) through (e) of this section, "vested accrued vacation pay" means any amount allowable as a deduction under section 162(a) for a taxable year with respect to vacation pay of employees of the taxpayer (determined without regard to section 463). For purposes of this section, vacation pay will be considered vested accrued vacation pay even though there is a limit or ceiling on the amount of vacation pay an employee is entitled to as of the close of any plan year.

For example, if under a vacation pay plan an employee may accumulate no more than 40 days of vacation leave by the end of any plan year and any unused days in excess of 40 days are forfeited, the taxpayer is considered to have vested accrued vacation pay (even though the plan is not fully vested) and may make an election under the transitional rule.

§ 1.465-1T Aggregation of certain activities (temporary).

(a) *General rule.* A partner in a partnership or an S corporation shareholder may aggregate and treat as a single activity—

(1) The holding, production, or distribution of more than one motion picture film or video tape by the partnership or S corporation,

(2) The farming (as defined in section 464 (e)) of more than one farm by the partnership or S corporation,

(3) The exploration for, or exploitation of, oil and gas resources with respect to more than one oil and gas

property by the partnership or S corporation, or

(4) The exploration for, or exploitation of, geothermal deposits (within the meaning of section 613(e)(3)) with respect to more than one geothermal property by the partnership or S corporation.

Thus, for example, if a partnership or S corporation is engaged in the activity of exploring for, or exploiting, oil and gas resources with respect to 10 oil and gas properties, a partner or S corporation shareholder may aggregate those properties and treat the aggregated oil and gas activities as a single activity. If that partnership or S corporation also is engaged in the activity of farming with respect to two farms, the partner or shareholder may aggregate the farms and treat the aggregated farming activities as a single separate activity. Except as provided in section 465(c)(2)(B)(ii), the partner or shareholder cannot aggregate the farming activity with the oil and gas activity.

(b) *Effective date.* This section shall apply to taxable years beginning after December 31, 1983 and before January 1, 1985.

§ 1.465-27 Qualified nonrecourse financing.

(a) *In general.* Notwithstanding any provision of section 465(b) or the regulations under section 465(b), for an activity of holding real property, a taxpayer is considered at risk for the taxpayer's share of any qualified nonrecourse financing which is secured by real property used in such activity.

(b) *Qualified nonrecourse financing secured by real property—(1) In general.* For purposes of section 465(b)(6) and this section, the term *qualified nonrecourse financing* means any financing—

(i) Which is borrowed by the taxpayer with respect to the activity of holding real property;

(ii) Which is borrowed by the taxpayer from a qualified person or represents a loan from any federal, state, or local government or instrumentality

thereof, or is guaranteed by any federal, state, or local government;

(iii) For which no person is personally liable for repayment, taking into account paragraphs (b)(3), (4), and (5) of this section; and

(iv) Which is not convertible debt.

(2) *Security for qualified nonrecourse financing—(i) Types of property.* For a taxpayer to be considered at risk under section 465(b)(6), qualified nonrecourse financing must be secured only by real property used in the activity of holding real property. For this purpose, however, property that is incidental to the activity of holding real property will be disregarded. In addition, for this purpose, property that is neither real property used in the activity of holding real property nor incidental property will be disregarded if the aggregate gross fair market value of such property is less than 10 percent of the aggregate gross fair market value of all the property securing the financing.

(ii) *Look-through rule for partnerships.* For purposes of paragraph (b)(2)(i) of this section, a borrower shall be treated as owning directly its proportional share of the assets in a partnership in which the borrower owns (directly or indirectly through a chain of partnerships) an equity interest.

(3) *Personal liability; partial liability.* If one or more persons are personally liable for repayment of a portion of a financing, the portion of the financing for which no person is personally liable may qualify as qualified nonrecourse financing.

(4) *Partnership liability.* For purposes of section 465(b)(6) and this paragraph (b), the personal liability of any partnership for repayment of a financing is disregarded and, provided the requirements contained in paragraphs (b)(1)(i), (ii), and (iv) of this section are satisfied, the financing will be treated as qualified nonrecourse financing secured by real property if—

(i) The only persons personally liable to repay the financing are partnerships;

(ii) Each partnership with personal liability holds only property described in paragraph (b)(2)(i) of this section (applying the principles of paragraph (b)(2)(ii) of this section in determining
