Condemning Suicide Bombings in Israel and Remembering American
Victims of Palestinian Terror Act.**

**Keren Shatsky, 14 of New York City and Rachel Thaler, 16 of Baltimore, Maryland
Killed by a Palestinian suicide bomber.**

Dear Colleague,

Keren Shatsky, of New York City and Rachel Thaler of Baltimore, Maryland were spending their Saturday night with hundreds of other kids in a mall in Karnei Shomron, Israel, however, this Saturday night would be marked with tragedy. Keren Shatsky and Rachel Thaler were innocent victims of a Palestinian suicide bomber.

Keren and Rachel are two of the 53 innocent United States citizens that have been killed by Palestinian terrorists since the Oslo Peace Accords in 1993. Our resolution condemns the attacks on United States citizens by Palestinian terrorists while recognizing and honoring the 53 innocent victims of the suicide attacks.

The Concurrent Resolution also encourages the newly elected Palestinian leaders to take all steps in preventing terrorism and demands that the Palestinian Authority work with Israel to protect all innocent individuals regardless of citizenship.
