***RECLAIM THE FISCAL MANTLE --
1% ACROSS-THE-BOARD CUTS TO SPENDING***

June 6, 2007

Dear Republican Colleague:

Next week, the first appropriations bills will come to the floor of the House of Representatives. For years, Republicans, led by former Rep. Joel Hefley (CO), offered a series of one percent reductions, across-the-board, to these spending bills. Next week, I intend to continue this practice and offer such a series of amendments.

Part of reclaiming the majority is re-establishing the Republican Party as the party of limited government and responsible spending. A one percent reduction may not seem like much, but it represents the beginning of getting the federal government's fiscal house in order. Please join me in supporting these amendments and solidifying Republicans as the true stewards of the People's money.

If you should need any information, please contact Kris Skrzycki in my office at 5-4501. Thank you, and I look forward to working with the caucus.

Yours Truly,

Tom Price
Member of Congress
