(b) On receipt of an application, the USABC shall determine whether an exemption may be granted. The USABC then will issue, if deemed appropriate, a certificate of exemption to each person who is eligible to receive one. Each producer who is exempt from assessment must provide an exemption number to the first handler in order to be exempt from the collection of an assessment on blueberries. First handlers and importers, except as otherwise authorized by the USABC, shall maintain records showing the exemptee's name and address along with the exemption number assigned by the USABC.

(c) Importers who are exempt from assessment shall be eligible for reimbursement of assessments collected by the U.S. Customs Service and shall apply to the USABC for reimbursement of such assessments paid. No interest will be paid on assessments collected by the U.S. Customs Service. Requests for reimbursement shall be submitted to the USABC within 90 days of the last day of the year the blueberries were actually imported.

(d) Any person who desires an exemption from assessments for a subsequent fiscal year shall reapply to the USABC, on a form provided by the USABC, for a certificate of exemption.

(e) The USABC may require persons receiving an exemption from assessments to provide to the USABC reports on the disposition of exempt blueberries and, in the case of importers, proof of payment of assessments.

(b) No program, plan, or project shall be implemented prior to its approval by the Secretary. Once a program, plan, or project is so approved, the USABC shall take appropriate steps to implement it.

(c) Each program, plan, or project implemented under this subpart shall be reviewed or evaluated periodically by the USABC to ensure that it contributes to an effective program of promotion, research, or information. If it is found by the USABC that any such program, plan, or project does not contribute to an effective program of promotion, research, or information, then the USABC shall terminate such program, plan, or project.

(d) No program, plan, or project including advertising shall be false or misleading or disparaging another agricultural commodity. Blueberries of all origins shall be treated equally.

§ 1218.55 Independent evaluation.

The USABC shall, not less often than every five years, authorize and fund, from funds otherwise available to the USABC, an independent evaluation of the effectiveness of the Order and other programs conducted by the USABC pursuant to the Act. Such information shall not be available to USABC members, producers, importers, exporters, or first handlers.
