§ 1478.6 Limitations on payments and other benefits.

(a) A producer may receive disaster benefits under this part on 1999 crop year losses only.

(b) Payments will not be made under this part for grazing losses. Further, the Deputy Administrator may divide and classify crops based on loss susceptibility, yield, and other factors.

(c) No person shall receive more than a total of \$80,000 in disaster benefits under this part.

(d) No person shall receive disaster benefits under this part in an amount that exceeds the value of the expected production for the relevant period as determined by CCC.

(e) A person who has a gross revenue in excess of \$2.5 million for the 1998 tax year shall not be eligible to receive disaster benefits under this part. Gross revenue includes the total income and total gross receipts of the person, before any reductions. Gross revenue shall not be adjusted, amended, discounted, netted or modified for any reason. No deductions for costs, expenses or pass-through funds will be deducted from any calculation of gross revenue. For purposes of making this determination, gross revenue means the total gross receipts received from farming, ranching and forestry operations if the person receives more than 50 percent of such person's gross income from farming or ranching; or the total gross receipts received from all sources if the person receives 50 percent or less of such person's gross receipts from farming, ranching and forestry.

(f) In the event the total amount of applications for disaster benefits under

this part exceeds the available funds, payments shall be reduced by a uniform national percentage. Such reductions shall be applied before any determination of limits on compensation due to multiple USDA benefits and after the imposition of applicable payment limitation and gross revenues caps. Available funds will not include funds made available under other parts for honey loans, mohair loans, and payments to livestock producers.

§ 1478.7 Requirement to purchase crop insurance.

(a) Any producer who elected not to purchase crop insurance on a crop in 1999 for which the producer receives crop loss assistance under this part must purchase crop insurance on that crop for the 2000 and 2001 crop years.

(b) If, at the time the producer is advised that he or she is eligible for crop loss assistance under this part, and the sales closing date for the 2000 crop year has passed for any crop for which crop insurance is required as specified in paragraph (a) of this section, the producer must purchase crop insurance for the 2001 crop year for any such crop.

(c) If any producer fails to purchase crop insurance as required in paragraph (a) or (b) of this section, the producer will be required to refund the benefits received or pay a lesser amount as may be specified by the Deputy Administrator.

§ 1478.8 Miscellaneous provisions.

(a) Disaster benefits under this part are not subject to administrative offset under § 1403.8 of this chapter except as determined appropriate by the Deputy Administrator who may, among other offsets, deduct from the benefits accrued any reductions appropriate for a producer's failure to obtain crop insurance as required in connection with benefits for crop losses in prior years.
