

§ 246.17

7 CFR Ch. II (1–1–01 Edition)

(6) FNS will select the winning bidder(s). The winning bidder(s) will be the responsive and responsible bidder(s) meeting the specifications and all bid terms and conditions which offers the lowest net price weighted to take into account infant formula usage rates and infant participation. In all instances the winning bidder(s) will be those which singly or in combination yield the greatest aggregate savings based on the net price weighted to take into account the infant formula usage rates. To break a tie between 2 equally low bids, FNS will select the bidder to be awarded the infant formula cost containment contract by a drawing by lot limited to the bidders which submitted those bids.

(7) Once FNS has conducted bid selection, a State agency may decline to award the infant formula cost containment contract(s) only if the State agency determines that awarding the contract(s) would not be in the best interests of its Program, taking into account whether the national bid solicitation and selection would achieve a lower aggregate savings.

(8) As soon as practicable after selecting the winning bid(s), FNS will notify the affected State agencies in writing of the bid results, including the name(s) of the winning bidder(s). If a State agency chooses to request approval to decline to award the infant formula cost containment contract(s) in accordance with paragraph (k)(7) of this section, it must notify FNS in writing, signed by a responsible State agency official, together with supporting documentation, by certified mail, return receipt requested or by hand delivery with evidence of receipt within 10 days of the State agency's receipt of this notification of bid results.

(9) If FNS approves any State agency's request to decline to award the infant formula cost containment contract(s) in accordance with paragraphs (k)(7) and (k)(8) of this section, FNS will notify the bidders of the decision. If two or more State agencies remain in the group, FNS will require the bidders to indicate in writing whether they wish to withdraw or modify their bids within 5 days of receipt of this notification. FNS will again permit State agencies to decline to award the infant

formula cost containment contract(s) in accordance with paragraphs (k)(7) and (k)(8) of this section. If FNS approves these additional State agency requests to decline contract awards, FNS may conduct a resolicitation of bids in accordance with this paragraph (k).

§ 246.17 Closeout procedures.

(a) *General.* State agencies shall submit preliminary and final closeout reports for each fiscal year. All obligations shall be liquidated before closure of a fiscal year grant. Obligations shall be reported for the fiscal year in which they occur.

(b) *Fiscal year closeout reports.* State agencies—

(1) Shall submit to FNS, within 30 days after the end of the fiscal year, preliminary financial reports which show cumulative actual expenditures and obligations for the fiscal year, or part thereof, for which Program funds were made available;

(2) Shall submit to FNS, within 150 days after the end of the fiscal year, final fiscal year closeout reports;

(3) May submit revised closeout reports. FNS will reimburse State agencies for additional costs claimed in a revised closeout report up to the State's original grant level, if costs are properly justified and if funds are available for the fiscal year pertaining to the request. FNS will not be responsible for reimbursing State agencies for unreported expenditures later than one year after the end of the fiscal year in which they were incurred.

(c) *Grant closeout procedures.* When grants to State agencies are terminated, the following procedures shall be performed in accordance with 7 CFR part 3016.

(1) FNS may disqualify a State agency's participation under the Program, in whole or in part, or take such remedies as may be legal and appropriate, whenever FNS determines that the State agency failed to comply with the conditions prescribed in this part, in its Federal-State Agreement, or in FNS guidelines and instructions. FNS will promptly notify the State agency in writing of the disqualification together with the effective date. A State

Food and Nutrition Service, USDA

§ 246.18

agency shall disqualify a local agency by written notice whenever it is determined by FNS or the State agency that the local agency has failed to comply with the requirements of the Program.

(2) FNS or the State agency may disqualify the State agency or restrict its participation in the Program when both parties agree that continuation under the Program would not produce beneficial results commensurate with the further expenditure of funds. The State agency or the local agency may disqualify the local agency or restrict its participation in the Program under the same conditions. The two parties shall agree upon the conditions of disqualification, including the effective date thereof, and, in the case of partial disqualification, the portion to be disqualified.

(3) Upon termination of a grant, the affected agency shall not incur new obligations for the disqualified portion after the effective date, and shall cancel as many outstanding obligations as possible. FNS will allow full credit to the State agency for the Federal share of the noncancellable obligations properly incurred by the State agency prior to disqualification, and the State agency shall do the same for the local agency.

(4) A grant closeout shall not affect the retention period for, or Federal rights of access to, grant records as specified in §246.25. The closeout of a grant does not affect the State or local agency's responsibilities regarding property or with respect to any Program income for which the State or local agency is still accountable.

(5) A final audit is not a required part of the grant closeout and should not be needed unless there are problems with the grant that require attention. If FNS considers a final audit to be necessary, it shall so inform OIG. OIG will be responsible for ensuring that necessary final audits are performed and for any necessary coordination with other Federal cognizant audit agencies or the State or local auditors. Audits performed in accordance with §246.20 may serve as final audits providing such audits meet the needs of requesting agencies. If the grant is closed out without the audit, FNS reserves the right to disallow and recover an appro-

priate amount after fully considering any recommended disallowances resulting from an audit which may be conducted later.

§ 246.18 Administrative appeal of State agency decisions.

(a) *Requirements.* The State agency shall provide a hearing procedure whereby a food vendor or local agency adversely affected by a State or local agency action may appeal the action.

(1) The right of appeal shall be granted when a local agency's or a vendor's application to participate is denied or, during the course of the contract or agreement, when a local agency or vendor is disqualified or any other adverse action which affects participation is taken. The following are exceptions to this provision:

(i) Expiration of a contract or agreement with a vendor and the State agency's determination regarding participant access shall not be subject to administrative review; and

(ii) Disqualification of a vendor as a result of disqualification from the Food Stamp Program shall not be subject to administrative or judicial review.

(2) The adverse action affecting a participating local agency shall be postponed until a hearing decision is reached.

(3) Except for disqualifications assessed under §246.12(k)(1)(i), which shall be made effective on the date of receipt of the notice of administrative action, the State agency may take adverse action against a vendor after the 15-day advance notification period mandated by paragraph (b)(1) of this section has elapsed. In deciding whether or not to postpone adverse action until a hearing decision is rendered, the State agency shall consider whether participants would be unduly inconvenienced and may consider other relevant criteria, determined by the State agency.

(b) *Procedure.* The State agency hearing procedure shall at a minimum provide the local agency or vendor with the following:

(1) Written notification of the administrative action, the procedures to file for an administrative review, if any, the cause(s) for and the effective date
