needs of its assessment area(s), and taking into account, as appropriate, lending-related activities such as loan originations for sale to the secondary markets and community development loans and qualified investments;

(ii) A majority of its loans and, as appropriate, other lending-related activities are in its assessment area(s);

(iii) A distribution of loans to and, as appropriate, other lending related-activities for individuals of different income levels (including low- and moderate-income individuals) and businesses and farms of different sizes that is reasonable given the demographics of the bank's assessment area(s);

(2) *Eligibility for an outstanding rating*. A bank that meets each of the standards for a "satisfactory" rating under this paragraph and exceeds some or all of those standards may warrant consideration for an overall rating of "outstanding." In assessing whether a bank's performance is "outstanding," the FDIC considers the extent to which the bank exceeds each of the performance standards for a "satisfactory" rating and its performance in making qualified investments and its performance in providing branches and other services and delivery systems that enhance credit availability in its assessment area(s).

(3) *Needs to improve or substantial noncompliance ratings*. A bank also may receive a rating of "needs to improve" or "substantial noncompliance" depending on the degree to which its performance has failed to meet the standards for a "satisfactory" rating.

(e) *Strategic plan assessment and rating*. (1) *Satisfactory goals*. The FDIC approves as "satisfactory" measurable goals that adequately help to meet the credit needs of the bank's assessment area(s).

(2) *Outstanding goals*. If the plan identifies a separate group of measurable goals that substantially exceed the levels approved as "satisfactory," the FDIC will approve those goals as "outstanding."

(3) *Rating*. The FDIC assesses the performance of a bank operating under an approved plan to determine if the bank has met its plan goals:

(i) If the bank substantially achieves its plan goals for a satisfactory rating, the FDIC will rate the bank's performance under the plan as "satisfactory."

(ii) If the bank exceeds its plan goals for a satisfactory rating and substantially achieves its plan goals for an outstanding rating, the FDIC will rate the bank's performance under the plan as "outstanding."

(iii) If the bank fails to meet substantially its plan goals for a satisfactory rating, the FDIC will rate the bank as either “needs to improve” or “substantial noncompliance,” depending on the extent to which it falls short of its plan goals, unless the bank elected in its plan to be rated otherwise, as provided in §345.27(f)(4).
