§ 308.181 Recommended decision.

The administrative law judge shall file with the Executive Secretary a recommended decision on the fee application not later than 90 days after the filing of the application or 30 days after the conclusion of the hearing, whichever is later. The recommended decision shall include written proposed findings and conclusions on the applicant's eligibility and its status as a prevailing party and an explanation of the reasons for any difference between the amount requested and the amount of the recommended award. The recommended decision shall also include, if at issue, proposed findings on whether the FDIC's position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust. The administrative law judge shall file the record of the proceeding on the fee application and, at the same time, serve upon each party a copy of the recommended decision, findings, conclusions, and proposed order.

§ 308.182 Board of Directors action.

(a) *Exceptions to recommended decision.* Within 20 days after service of the recommended decision, findings, conclusions, and proposed order, the applicant or counsel for the FDIC may file with the Executive Secretary written exceptions thereto. A supporting brief may also be filed.

(b) *Decision of Board of Directors.* The Board of Directors shall render its decision within 60 days after the matter is submitted to it by the Executive Secretary. The Executive Secretary shall furnish copies of the decision and order of the Board of Directors to the parties. Judicial review of the decision and order may be obtained as provided in 5 U.S.C. 504(c)(2).

§ 308.183 Payment of awards.

An applicant seeking payment of an award made by the Board of Directors shall submit to the Executive Secretary a statement that the applicant will not seek judicial review of the decision and order or that the time for seeking further review has passed and no further review has been sought. The FDIC will pay the amount awarded within 30 days after receiving the applicant's statement, unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.

SOURCE: 57 FR 44897, Sept. 29, 1992, unless otherwise noted.

§ 308.200 Scope.

The rules and procedures set forth in this subpart apply to banks, insured branches of foreign banks and senior executive officers and directors of banks that are subject to the provisions of section 38 of the Federal Deposit Insurance Act (section 38) (12 U.S.C. 1831o) and subpart B of part 325 of this chapter.

[57 FR 44897, Sept. 29, 1992; 57 FR 48426, Oct. 23, 1992]

§ 308.201 Directives to take prompt corrective action.

(a) *Notice of intent to issue directive—*
(1) *In general.* The FDIC shall provide an undercapitalized, significantly undercapitalized, or critically undercapitalized bank prior written notice of the FDIC's intention to issue a directive requiring such bank to take actions or to follow proscriptions described in section 38 that are within the FDIC's discretion to require or impose under section 38 of the FDI Act, including sections 38 (e)(5), (f)(2), (f)(3), or (f)(5). The bank shall have such time to respond to a proposed directive as provided by the FDIC under paragraph (c) of this section.

(2) *Immediate issuance of final directive.* If the FDIC finds it necessary in order to carry out the purposes of section 38 of the FDI Act, the FDIC may, without providing the notice prescribed in paragraph (a)(1) of this section, issue a directive requiring a bank immediately to take actions or to follow proscriptions described in section 38 that are within the FDIC's discretion to require or impose under section 38 of the FDI Act, including section 38 (e)(5), (f)(2), (f)(3), or (f)(5). A bank that is subject to such an immediately effective directive may submit a written appeal of the directive to the FDIC. Such an appeal must be received by the FDIC within 14 calendar days of the issuance of the directive, unless the FDIC permits a longer period. The FDIC shall consider any such appeal, if filed in a timely matter, within 60 days of receiving the appeal. During such period of review, the directive shall remain in effect unless the FDIC, in its sole discretion, stays the effectiveness of the directive.

(b) *Contents of notice.* A notice of intention to issue a directive shall include:

(1) A statement of the bank's capital measures and capital levels;

(2) A description of the restrictions, prohibitions or affirmative actions that the FDIC proposes to impose or require;

(3) The proposed date when such restrictions or prohibitions would be effective or the proposed date for completion of such affirmative actions; and

(4) The date by which the bank subject to the directive may file with the FDIC a written response to the notice.

(c) *Response to notice—(1) Time for response.* A bank may file a written response to a notice of intent to issue a directive within the time period set by the FDIC. The date shall be at least 14 calendar days from the date of the notice unless the FDIC determines that a shorter period is appropriate in light of the financial condition of the bank or other relevant circumstances.

(2) *Content of response.* The response should include:

(i) An explanation why the action proposed by the FDIC is not an appropriate exercise of discretion under section 38;

(ii) Any recommended modification of the proposed directive; and

(iii) Any other relevant information, mitigating circumstances, documentation, or other evidence in support of the position of the bank regarding the proposed directive.

(d) *FDIC consideration of response.* After considering the response, the FDIC may:

(1) Issue the directive as proposed or in modified form;

(2) Determine not to issue the directive and so notify the bank; or

(3) Seek additional information or clarification of the response from the bank or any other relevant source.

(e) *Failure to file response.* Failure by a bank to file with the FDIC, within the specified time period, a written response to a proposed directive shall constitute a waiver of the opportunity to respond and shall constitute consent to the issuance of the directive.

(f) *Request for modification or rescission of directive.* Any bank that is subject to a directive under this subpart may, upon a change in circumstances, request in writing that the FDIC reconsider the terms of the directive, and may propose that the directive be rescinded or modified. Unless otherwise ordered by the FDIC, the directive shall continue in place while such request is pending before the FDIC.

§ 308.202 Procedures for reclassifying a bank based on criteria other than capital.

(a) *Reclassification based on unsafe or unsound condition or practice—(1) Issuance of notice of proposed reclassification—(i) Grounds for reclassification.* (A) Pursuant to § 325.103(d) of this chapter, the FDIC may reclassify a well capitalized bank as adequately capitalized or subject an adequately capitalized or undercapitalized institution to the supervisory actions applicable to the next lower capital category if:

(1) The FDIC determines that the bank is in unsafe or unsound condition; or

(2) The FDIC, pursuant to section 8(b)(8) of the FDI Act (12 U.S.C. 1818(b)(8)), deems the bank to be engaged in an unsafe or unsound practice and not to have corrected the deficiency.
