

forth in paragraph (a)(2)(ii) of this section up to a maximum increase of 5 basis points or a fraction thereof or a maximum decrease of 5 basis points or a fraction thereof (after aggregating increases and decreases), as the Board deems necessary to maintain the reserve ratio of an insurance fund at the designated reserve ratio for that fund. Any such adjustment shall apply uniformly to each rate in the base assessment schedule. In no case may such adjustments result in an assessment rate that is mathematically less than zero or in a rate schedule for an insurance fund that, at any time, is more than 5 basis points above or below the base assessment schedule for that fund, nor may any one such adjustment constitute an increase or decrease of more than 5 basis points. The adjustment for any semiannual period for a fund shall be determined by:

(i) The amount of assessment revenue necessary to maintain the reserve ratio at the designated reserve ratio; and

(ii) The assessment schedule that would generate the amount of revenue in paragraph (c)(1)(i) of this section considering the risk profile of the institutions required to pay assessments to the fund.

(2) *Amount of revenue.* In determining the amount of assessment revenue in paragraph (c)(1)(i) of this section, the Board shall take into consideration the following:

(i) Expected operating expenses of the insurance fund;

(ii) Case resolution expenditures and income of the insurance fund;

(iii) The effect of assessments on the earnings and capital of the institutions paying assessments to the insurance fund; and

(iv) Any other factors the Board may deem appropriate.

(3) *Adjustment procedure.* Any adjustment adopted by the Board pursuant to this paragraph (c) will be adopted by rulemaking. Nevertheless, because the Corporation is generally required by statute to set assessment rates as necessary (and only to the extent necessary) to maintain or attain the target designated reserve ratio, and because the Corporation must do so in the face of constantly changing conditions, and because the purpose of the

adjustment procedure is to permit the Corporation to act expeditiously and frequently to maintain or attain the designated reserve ratio in an environment of constant change, but within set parameters not exceeding 5 basis points, without the delays associated with full notice-and-comment rulemaking, the Corporation has determined that it is ordinarily impracticable, unnecessary and not in the public interest to follow the procedure for notice and public comment in such a rulemaking, and that accordingly notice and public procedure thereon are not required as provided in 5 U.S.C. 553(b). For the same reasons, the Corporation has determined that the requirement of a 30-day delayed effective date is not required under 5 U.S.C. 553(d). Any adjustment adopted by the Board pursuant to a rulemaking specified in this paragraph (c) will be reflected in an adjusted assessment schedule set forth in paragraph (b)(2) or (b)(3) of this section, as appropriate.

(4) *Announcement.* Except with respect to assessments for the first semiannual period of 1997, the Board shall announce the semiannual assessment schedule and the amount and basis for any adjustment thereto not later than 30 days before the invoice date specified in § 327.3(c) for the first quarter of the semiannual period for which the adjustment shall be effective.

(d) *Refunds or credits of certain assessments.* If the amount paid by an institution for the regular semiannual assessment for the second semiannual period of 1996 exceeds, as a result of the reduction in the rate schedule for a portion of that semiannual period, the amount due from the institution for that semiannual period, the Corporation will refund or credit any such excess payment and will provide interest on the excess payment in accordance with the provisions of § 327.7. Notwithstanding § 327.7(a)(3)(ii), such interest will accrue beginning as of October 1, 1996.

#### § 327.32 Computation and payment of assessment.

(a) *Rate of assessment*—(1) *BIF and SAIF member rates.* (i) Except as provided in paragraph (a)(2) of this section, and consistent with the provisions of § 327.4, the assessment to be paid by an institution that is subject to this subpart B shall be computed at the rate applicable to institutions that are members of the primary fund of such institution. (ii) Such applicable rate shall be applied to the institu-

tion's assessment base less that portion of the assessment base which is equal to the institution's adjusted attributable deposit amount.

(2) *Rate applicable to the adjusted attributable deposit amount.* Notwithstanding paragraph (a)(1)(i) of this section, that portion of the assessment base of any acquiring, assuming, or resulting institution which is equal to the adjusted attributable deposit amount of such institution shall:

(i) Be subject to assessment at the assessment rate applicable to members of the secondary fund of such institution pursuant to subpart A of this part; and

(ii) Not be taken into account in computing the amount of any assessment to be allocated to the primary fund of such institution.

(i) The amount of any deposits acquired by the institution in connection with the transaction (as determined at the time of such transaction) described in § 327.31(a), but subject to the adjustment specified in paragraph (c) of this section;

(ii) The total of the amounts determined under paragraph (a)(3)(iii) of this section for semiannual periods preceding the semiannual period for which the determination is being made under this section; and

(iii) The amount by which the sum of the amounts described in paragraphs (a)(3)(i) and (a)(3)(ii) of this section would have increased during the preceding semiannual period (other than any semiannual period beginning before the date of such transaction) if such increase occurred at a rate equal to the annual rate of growth of deposits of the acquiring, assuming, or resulting depository institution minus the amount of any deposits acquired through the acquisition, in whole or in part, of another insured depository institution.
