

§ 408.5

12 CFR Ch. IV (1-1-05 Edition)

to be submitted in support of their application;

(2) Conduct any studies which are deemed necessary and appropriate by Eximbank to determine the impact of the proposed action on the quality of the human environment;

(3) Consult with appropriate U.S. (Federal, regional, State and local) agencies and other potentially interested parties during preliminary planning stages to ensure that all environmental factors are identified;

(4) Submit applications for all U.S. (Federal, regional, State and local) approvals as early as possible in the planning process;

(5) Notify Eximbank as early as possible of all other applicable legal requirements for project completion so that all applicable Federal environmental reviews may be coordinated; and

(6) Notify Eximbank of all known parties potentially affected by or interested in the proposed action.

§ 408.5 Ensuring environmental documents are actually considered in Agency decision-making.

Section 1505.1 of the NEPA Regulations contains requirements to ensure adequate consideration of environmental documents in agency decision-making. To implement these requirements, Eximbank officials will:

(a) Consider all relevant environmental documents in evaluating applications for Eximbank financing;

(b) Ensure that all relevant environmental documents, comments and responses accompany the application through Eximbank's review processes;

(c) Consider only those alternatives encompassed by the range of alternatives discussed in the relevant environmental documents when evaluating an application which is the subject of an EIS.

Eximbank actions	Start of NEPA process	Completion of NEPA process	Key officials or offices required to consider environmental documents
Issuance of Preliminary Commitment (P.C.).	When application is received.	When the Board of Directors meets to consider application. The Board may notify applicant that environmental effects will be considered when final commitment is requested and request information on environmental matters.	Under § 408.4(b)(1) (i) and (ii), General Counsel to determine whether requested Eximbank financing is a major action and Engineer to determine whether proposed Transaction may significantly affect the quality of the human environment in the United States, its territories or possessions.
Issuance of Final Commitment.	When application is received.	When the Board of Directors meets to consider application.	(If no P.C. has been issued, key offices will make determinations mentioned above.) Engineer to collect, prepare or arrange for preparation of all environmental documents.

§ 408.6 Typical classes of action.

(a) Section 1507.3(c)(2) of the NEPA Regulations in conjunction with § 1508.4 thereof requires agencies to establish

three typical classes of action for similar treatment under NEPA. These typical classes of action are set forth below:

Actions normally requiring EIS's	Actions normally requiring assessments but not necessarily EIS's	Actions normally not requiring assessments or EIS's
None	Applications for Eximbank financing under the direct lending program in support of transactions for which determinations under § 408.4(b)(1) (i) and (ii) above may be affirmative.	Applications for Eximbank financing in the form of insurance or guarantees.

(b) Eximbank will independently determine whether an EIS or an environmental assessment is required where:

(1) A proposal for agency action is not covered by one of the typical classes of action above; or
