**§ 584.2-2 Permissible bank holding company activities of savings and loan holding companies.**

(a) *General.* For purposes of § 584.2(b)(6)(i) of this part, the services and activities permissible for bank holding companies pursuant to 12 CFR 225.24 or 225.28 are permissible for savings and loan holding companies, or subsidiaries thereof that are neither savings associations nor service corporation subsidiaries of subsidiary savings associations: *Provided*, That no such savings and loan holding company or subsidiary thereof shall commence, either *de novo* or by an acquisition (in whole or in part) of a going concern, any activity described in this paragraph (a) without the prior approval of the Office pursuant to paragraph (b) of this section. Where an activity is within the scope of both § 584.2-1 of this part and this section, the procedures of § 584.2-1 of this part shall govern.

(b) *Procedures for applications.* Applications to commence any activity prescribed under paragraph (a) of this section shall be filed with the OTS. OTS must act upon such application under the guidelines in part 516, subpart E of this chapter.

(c) *Factors considered in acting on applications.* In evaluating an application filed under paragraph (b) of this section, the OTS shall consider whether the performance by the applicant of the activity can reasonably be expected to produce benefits to the public (such as greater convenience, increased competition, or gains in efficiency) that outweigh possible adverse effects (such as undue concentration of resources, decreased or unfair competition, conflicts of interest, or unsound financial practices). This consideration includes an evaluation of the financial and managerial resources of the applicant, including its subsidiaries, and of any

company to be acquired, and the effect of the proposed transaction on those resources.
