

§ 25.63

12 CFR Ch. I (1–1–08 Edition)

under the definition of “bank” in 12 U.S.C. 1813(a)(1) that have that state as their home state, as determined and updated periodically by the appropriate Federal banking agencies and made available to the public.

(g) *Out-of-State bank holding company* means, with respect to any State, a bank holding company whose home State is another State.

(h) *State* means state as that term is defined in 12 U.S.C. 1813(a)(3).

(i) *Statewide loan-to-deposit ratio* means, with respect to a bank, the ratio of the bank’s loans to its deposits in a state in which the bank has one or more covered interstate branches, as determined by the OCC.

[62 FR 47734, Sept. 10, 1997, as amended at 67 FR 38847, June 6, 2002; 67 FR 46842, July 17, 2002]

§ 25.63 Loan-to-deposit ratio screen.

(a) *Application of screen.* Beginning no earlier than one year after a covered interstate branch is acquired or established, the OCC will consider whether the bank’s statewide loan-to-deposit ratio is less than 50 percent of the relevant host State loan-to-deposit ratio.

(b) *Results of screen.* (1) If the OCC determines that the bank’s statewide loan-to-deposit ratio is 50 percent or more of the host state loan-to-deposit ratio, no further consideration under this subpart is required.

(2) If the OCC determines that the bank’s statewide loan-to-deposit ratio is less than 50 percent of the host state loan-to-deposit ratio, or if reasonably available data are insufficient to calculate the bank’s statewide loan-to-deposit ratio, the OCC will make a credit needs determination for the bank as provided in § 25.64.

[62 FR 47734, Sept. 10, 1997, as amended at 67 FR 38848, June 6, 2002]

§ 25.64 Credit needs determination.

(a) *In general.* The OCC will review the loan portfolio of the bank and determine whether the bank is reasonably helping to meet the credit needs of the communities in the host state that are served by the bank.

(b) *Guidelines.* The OCC will use the following considerations as guidelines

when making the determination pursuant to paragraph (a) of this section:

(1) Whether covered interstate branches were formerly part of a failed or failing depository institution;

(2) Whether covered interstate branches were acquired under circumstances where there was a low loan-to-deposit ratio because of the nature of the acquired institution’s business or loan portfolio;

(3) Whether covered interstate branches have a high concentration of commercial or credit card lending, trust services, or other specialized activities, including the extent to which the covered interstate branches accept deposits in the host state;

(4) The CRA ratings received by the bank, if any;

(5) Economic conditions, including the level of loan demand, within the communities served by the covered interstate branches;

(6) The safe and sound operation and condition of the bank; and

(7) The OCC’s CRA regulations (subparts A through D of this part) and interpretations of those regulations.

§ 25.65 Sanctions.

(a) *In general.* If the OCC determines that a bank is not reasonably helping to meet the credit needs of the communities served by the bank in the host state, and that the bank’s statewide loan-to-deposit ratio is less than 50 percent of the host state loan-to-deposit ratio, the OCC:

(1) May order that a bank’s covered interstate branch or branches be closed unless the bank provides reasonable assurances to the satisfaction of the OCC, after an opportunity for public comment, that the bank has an acceptable plan under which the bank will reasonably help to meet the credit needs of the communities served by the bank in the host state; and

(2) Will not permit the bank to open a new branch in the host state that would be considered to be a covered interstate branch unless the bank provides reasonable assurances to the satisfaction of the OCC, after an opportunity for public comment, that the bank will reasonably help to meet the credit needs of the community that the new branch will serve.

(b) *Notice prior to closure of a covered interstate branch.* Before exercising the OCC's authority to order the bank to close a covered interstate branch, the OCC will issue to the bank a notice of the OCC's intent to order the closure and will schedule a hearing within 60 days of issuing the notice.

(c) *Hearing.* The OCC will conduct a hearing scheduled under paragraph (b) of this section in accordance with the provisions of 12 U.S.C. 1818(h) and 12 CFR part 19.

APPENDIX A TO PART 25—RATINGS

(a) *Ratings in general.* (1) In assigning a rating, the OCC evaluates a bank's performance under the applicable performance criteria in this part, in accordance with §§25.21, and 25.28, which provides for adjustments on the basis of evidence of discriminatory or other illegal credit practices.

(2) A bank's performance need not fit each aspect of a particular rating profile in order to receive that rating, and exceptionally strong performance with respect to some aspects may compensate for weak performance in others. The bank's overall performance, however, must be consistent with safe and sound banking practices and generally with the appropriate rating profile as follows.

(b) *Banks evaluated under the lending, investment, and service tests—(1) Lending performance rating.* The OCC assigns each bank's lending performance one of the five following ratings.

(i) *Outstanding.* The OCC rates a bank's lending performance "outstanding" if, in general, it demonstrates:

(A) Excellent responsiveness to credit needs in its assessment area(s), taking into account the number and amount of home mortgage, small business, small farm, and consumer loans, if applicable, in its assessment area(s);

(B) A substantial majority of its loans are made in its assessment area(s);

(C) An excellent geographic distribution of loans in its assessment area(s);

(D) An excellent distribution, particularly in its assessment area(s), of loans among individuals of different income levels and businesses (including farms) of different sizes, given the product lines offered by the bank;

(E) An excellent record of serving the credit needs of highly economically disadvantaged areas in its assessment area(s), low-income individuals, or businesses (including farms) with gross annual revenues of \$1 million or less, consistent with safe and sound operations;

(F) Extensive use of innovative or flexible lending practices in a safe and sound manner

to address the credit needs of low- or moderate-income individuals or geographies; and

(G) It is a leader in making community development loans.

(ii) *High satisfactory.* The OCC rates a bank's lending performance "high satisfactory" if, in general, it demonstrates:

(A) Good responsiveness to credit needs in its assessment area(s), taking into account the number and amount of home mortgage, small business, small farm, and consumer loans, if applicable, in its assessment area(s);

(B) A high percentage of its loans are made in its assessment area(s);

(C) A good geographic distribution of loans in its assessment area(s);

(D) A good distribution, particularly in its assessment area(s), of loans among individuals of different income levels and businesses (including farms) of different sizes, given the product lines offered by the bank;

(E) A good record of serving the credit needs of highly economically disadvantaged areas in its assessment area(s), low-income individuals, or businesses (including farms) with gross annual revenues of \$1 million or less, consistent with safe and sound operations;

(F) Use of innovative or flexible lending practices in a safe and sound manner to address the credit needs of low- or moderate-income individuals or geographies; and

(G) It has made a relatively high level of community development loans.

(iii) *Low satisfactory.* The OCC rates a bank's lending performance "low satisfactory" if, in general, it demonstrates:

(A) Adequate responsiveness to credit needs in its assessment area(s), taking into account the number and amount of home mortgage, small business, small farm, and consumer loans, if applicable, in its assessment area(s);

(B) An adequate percentage of its loans are made in its assessment area(s);

(C) An adequate geographic distribution of loans in its assessment area(s);

(D) An adequate distribution, particularly in its assessment area(s), of loans among individuals of different income levels and businesses (including farms) of different sizes, given the product lines offered by the bank;

(E) An adequate record of serving the credit needs of highly economically disadvantaged areas in its assessment area(s), low-income individuals, or businesses (including farms) with gross annual revenues of \$1 million or less, consistent with safe and sound operations;

(F) Limited use of innovative or flexible lending practices in a safe and sound manner to address the credit needs of low- or moderate-income individuals or geographies; and

(G) It has made an adequate level of community development loans.
