

§ 76.1604

NOTE 2 TO § 76.1603: Section 624(d)(3) of the Communications Act, 47 U.S.C. 544(d)(3), contains additional notification provisions pertaining to cable operators who offer a premium channel without charge to cable subscribers who do not subscribe to such premium channel.

NOTE 3 TO § 76.1603: Section 631 of the Communications Act, 47 U.S.C. 551, contains additional notification requirements pertaining to the protection of subscriber privacy.

[65 FR 53617, Sept. 5, 2000, as amended at 66 FR 16554, Mar. 26, 2001]

§ 76.1604 Charges for customer service changes.

If a cable operator establishes a higher charge for changes effected solely by coded entry on a computer terminal or by other similarly simple methods, as provided in § 76.980(d), the cable system must notify all subscribers in writing that they may be subject to such a charge for changing service tiers more than the specified number of times in any 12 month period.

§ 76.1605 New product tier.

(a) Within 30 days of the offering of an NPT, operators shall file with the Commission a copy of the new rate card that contains the following information on their BSTs, CPSTs and NPTs:

- (1) The names of the programming services contained on each tier; and
- (2) The price of each tier.

(b) Operators also must file with the Commission, copies of notifications that were sent to subscribers regarding the initial offering of NPTs. After this initial filing, cable operators must file updated rate cards and copies of customer notifications with the Commission within 30 days of rate or service changes affecting the NPT.

§ 76.1606 Rate change while complaint pending.

A regulated cable operator that proposes to change any rate while a cable service tier complaint is pending before the Commission shall provide the Commission at least 30 days notice of the proposed change.

§ 76.1607 Principal headend.

A cable operator shall provide written notice by certified mail to all sta-

tions carried on its system pursuant to the must-carry rules at least 60 days prior to any change in the designation of its principal headend.

§ 76.1608 System technical integration requiring uniform election of must-carry or retransmission consent status.

A cable system that changes its technical configuration in such a way as to integrate two formerly separate cable systems must give 90 days notice of its intention to do so to any television broadcast stations that have elected must-carry status with respect to one system and retransmission consent status with respect to the other. If the system and the station do not agree on a uniform election 45 days prior to integration, the cable system may require the station to make such a uniform election 30 days prior to integration.

§ 76.1609 Non-duplication and syndicated exclusivity.

Within 60 days following the provision of service to 1,000 subscribers, the operator of each such system shall file a notice to that effect with the Commission, and serve a copy of that notice on every television station that would be entitled to exercise network non-duplication protection or syndicated exclusivity protection against it.

76.1610 Change of operational information.

The Operator shall inform the Commission on FCC Form 324 whenever there is a change of cable television system operator; change of legal name, change of the operator's mailing address or FCC Registration Number (FRN); or change in the operational status of a cable television system. Notification must be done within 30 days from the date the change occurs and must include the following information, as appropriate:

- (a) The legal name of the operator and whether the operator is an individual, private association, partnership, corporation, or government entity. See § 76.5(cc). If the operator is a
