(a) *EEO program annual reports.* Information concerning a unit's compliance with the EEO recruitment requirements shall be filed by each employment unit with six or more full-time employees on FCC Form 396-C on or before September 30 of each year. If a multichannel video programming distributor acquires a unit during the twelve months covered by the EEO program annual report, the recruitment activity in the report shall cover the period starting with the date the entity acquired the unit.

(b) *Certification of Compliance.* The Commission will use the recruitment information submitted on a unit's EEO program annual report to determine whether the unit is in compliance with the provisions of this subpart. Units found to be in compliance with these rules will receive a Certificate of Compliance. Units found not to be in compliance will receive notice that they are not certified for a given year.

(c) *Investigations.* The Commission will investigate each unit at least once every five years. Employment units are required to submit supplemental investigation information with their regular EEO program annual reports in the years they are investigated. If an entity acquires a unit during the period covered by the supplemental investigation, the information submitted by the unit as part of the investigation shall cover the period starting with the date the operator acquired the unit. The supplemental investigation information shall include a copy of the unit's EEO public file report for the preceding year.

(d) *Records and inquiries.* Employment units subject to this subpart shall maintain records of their recruitment activity in accordance with § 76.75 to demonstrate whether they are in compliance with the EEO rules. Units shall ensure that they maintain records sufficient to verify the accuracy of information provided in their EEO program

annual reports and the supplemental investigation responses required by § 76.1702 to be kept in a unit's public file. To determine compliance with the EEO rules, the Commission may conduct inquiries of employment units at random or if the Commission has evidence of a possible violation of the EEO rules. Upon request, employment units shall make records available to the Commission for its review.

(e) *Public complaints.* The public may file complaints based on EEO program annual reports, supplemental investigation information, or the contents of a unit's public file.

(f) *Sanctions and remedies.* The Commission may issue appropriate sanctions and remedies for any violation of the EEO rules.
