

§ 702.301

(iv) The types and levels of activities in which the credit union will engage; and

(v) If reclassified to a lower category under § 702.102(b), the steps the credit union will take to correct the unsafe or unsound practice(s) or condition(s);

(2) Include pro forma financial statements, including any off-balance sheet items, covering a minimum of the next two years; and

(3) Contain such other information as the NCUA Board has required.

(d) *Criteria for approval of NWRP.* The NCUA Board shall not accept a NWRP plan unless it—

(1) Complies with paragraph (c) of this section;

(2) Is based on realistic assumptions, and is likely to succeed in restoring the credit union's net worth; and (3) Would not unreasonably increase the credit union's exposure to risk (including credit risk, interest-rate risk, and other types of risk).

(e) *Consideration of regulatory capital.* To minimize possible long-term losses to the NCUSIF while the credit union takes steps to become "adequately capitalized," the NCUA Board shall, in evaluating an NWRP under this section, consider the type and amount of any form of regulatory capital which may become established by NCUA regulation, or authorized by State law and recognized by NCUA, which the credit union holds, but which is not included in its net worth.

(f) *Review of NWRP—(1) Notice of decision.* Within 45 calendar days after receiving an NWRP under this part, the NCUA Board shall notify the credit union in writing whether the NWRP has been approved, and shall provide reasons for its decision in the event of disapproval.

(2) *Delayed decision.* If no decision is made within the time prescribed in paragraph (f)(1) of this section, the NWRP is deemed approved.

(3) *Consultation with State officials.* In the case of an NWRP submitted by a federally-insured State-chartered credit union (whether an original, new, additional, revised or amended NWRP), the NCUA Board shall, when evaluating the NWRP, seek and consider the views of the appropriate State official,

12 CFR Ch. VII (1–1–06 Edition)

and provide prompt notice of its decision to the appropriate State official.

(g) *NWRP not approved (1) Submission of revised NWRP.* If an NWRP is rejected by the NCUA Board, the credit union shall submit a revised NWRP within 30 calendar days of receiving notice of disapproval, unless it is notified in writing by the NCUA Board that the revised NWRP is to be filed within a different period.

(2) *Notice of decision on revised NWRP.* Within 30 calendar days after receiving a revised NWRP under paragraph (g)(1) of this section, the NCUA Board shall notify the credit union in writing whether the revised NWRP is approved. The Board may extend the time within which notice of its decision shall be provided.

(3) *Disapproval of reclassified credit union's NWRP.* A credit union which has been classified "significantly undercapitalized" under § 702.102(a)(4)(ii) shall remain so classified pending NCUA Board approval of a new or revised NWRP.

(h) *Amendment of NWRP.* A credit union that is operating under an approved NWRP may, after prior written notice to, and approval by the NCUA Board, amend its NWRP to reflect a change in circumstance. Pending approval of an amended NWRP, the credit union shall implement the NWRP as originally approved.

(i) *Publication.* An NWRP need not be published to be enforceable because publication would be contrary to the public interest.

[65 FR 8584, Feb. 18, 2000, as amended at 67 FR 71092, Nov. 29, 2002]

Subpart C—Alternative Prompt Corrective Action for New Credit Unions

§ 702.301 Scope and definition.

(a) *Scope.* This subpart C applies in lieu of subpart B of this part exclusively to credit unions defined in paragraph (b) of this section as "new" pursuant to 12 U.S.C. 1790d(b)(2).

(b) *New credit union defined.* A "new" credit union for purposes of this subpart is a federally-insured credit union that both has been in operation for less than ten (10) years and has total assets

of not more than \$10 million. A credit union which exceeds \$10 million in total assets may become “new” if its total assets subsequently decline below \$10 million while it is still in operation for less than 10 years.

(c) *Effect of spin-offs.* A credit union formed as the result of a “spin-off” of a group from the field of membership of an existing credit union is deemed to be in operation since the effective date of the “spin-off.” A credit union whose total assets decline below \$10 million because a group within its field of membership has been “spun-off” is deemed “new” if it has been in operation less than 10 years.

(d) *Actions to evade prompt corrective action.* If the NCUA Board determines that a credit union was formed, or was reduced in asset size as a result of a “spin-off,” or was merged, primarily to qualify as “new” under this subpart, the credit union shall be deemed subject to prompt corrective action under subpart A of this part.

§ 702.302 Net worth categories for new credit unions.

(a) *Net worth measures.* For purposes of this part, a new credit union must determine its net worth category classification quarterly according to its net worth ratio as defined in §702.2(g).

(b) *Effective date of net worth classification of new credit union.* For pur-

poses of subpart C, the effective date of a new federally-insured credit union’s classification within a net worth category in paragraph (c) of this section shall be determined as provided in §702.101(b); and written notice to the NCUA Board of a decline in net worth category in paragraph (c) of this section shall be given as required by section 702.101(c).

(c) *Net worth categories.* A federally-insured credit union defined as “new” under this section shall be classified (Table 6)—

(1) *Well capitalized* if it has a net worth ratio of seven percent (7%) or greater;

(2) *Adequately capitalized* if it has a net worth ratio of six percent (6%) or more but less than seven percent (7%);

(3) *Moderately capitalized* if it has a net worth ratio of three and one-half percent (3.5%) or more but less than six percent (6%);

(4) *Marginally capitalized* if it has a net worth ratio of two percent (2%) or more but less than three and one-half percent (3.5%);

(5) *Minimally capitalized* if it has a net worth ratio of zero percent (0%) or greater but less than two percent (2%); and

(6) *Uncapitalized* if it has a net worth ratio of less than zero percent (0%) (e.g., a deficit in retained earnings).

TABLE 6 -- NET WORTH CATEGORY CLASSIFICATION FOR “NEW” CREDIT UNIONS

A “new” credit union’s net worth category is . . .	if its net worth ratio is . . .
“Well Capitalized”	7% or above
“Adequately Capitalized”	6% to 6.99%
“Moderately Capitalized”	3.5% to 5.99%
“Marginally Capitalized”	2% to 3.49%
“Minimally Capitalized”	0% to 1.99%
“Uncapitalized”	Less than 0%

(d) *Reclassification based on supervisory criteria other than net worth.* Subject to §702.102(b) and (c), the NCUA Board may reclassify a “well capitalized,” “adequately capitalized” or “moderately capitalized” new credit union to the next lower net worth cat-

egory (each of such actions is herein-after referred to generally as “reclassification”) in either of the circumstances prescribed in §702.102(b).

(e) *Consultation with State officials.* The NCUA Board shall consult and seek to work cooperatively with the
