

§ 602.6

about the referral. If you should have sent your request to another Federal agency, we will refer the request to that agency and so advise you.

§ 602.6 FOIA exemptions.

The FOIA allows agencies to withhold documents in certain categories. For instance, we do not have to give you documents that relate to our examination of institutions or that would violate the personal privacy of an individual. If we do not give you a document because the FOIA does not require us to, we will tell you which FOIA exemption applies to our decision.

§ 602.7 Confidential business information.

(a) *FCA disclosure.* FCA may disclose business information from a business submitter only under this section. This section will not apply if:

(1) We decide the business submitter has no valid basis to object to disclosure;

(2) The information has been published lawfully or made available to the public; or

(3) Law (other than the FOIA) requires disclosure of the information.

(b) *Notice by FCA.* When we receive a request for confidential business information, the FOIA Officer will promptly tell the requester and the business submitter in writing that the responsive records may be free from disclosure under the FOIA. We will give the business submitter a reasonable time to object to the proposed disclosure of the responsive records and tell the requester whenever:

(1) The business submitter has in good faith labeled the information a trade secret or commercial or financial information that is privileged or confidential. We will provide such notice for 10 years after receiving the information unless the business submitter justifies the need for a longer period; or

(2) We believe that disclosing the information may result in commercial or financial injury to the business submitter.

(c) *Objection to release.* A business submitter who objects to our releasing the requested information should tell us in writing why the information is a

12 CFR Ch. VI (1–1–06 Edition)

trade secret or commercial or financial information that is privileged or confidential.

(d) *FCA response.* (1) We will consider carefully a business submitter's objections. If we decide to disclose business information over the submitter's objection, the FOIA Officer will explain to the submitter in writing why we disagreed with the submitter's objection and describe the business information to be disclosed.

(2) We will tell the requester and the submitter the proposed disclosure date at the same time.

(3) If a submitter sues to prevent release, we will promptly tell the requester and will not disclose the business information until after the court's decision.

(4) If a requester sues to compel disclosure, we will promptly tell the business submitter.

§ 602.8 Appeals.

(a) *How to appeal.* You may appeal a total or partial denial of your FOIA request within 30 calendar days of the date of the denial letter. Your appeal must be in writing and addressed to the Director, Office of Resources Management (ORM), Farm Credit Administration. You may send it:

(1) By mail to 1501 Farm Credit Drive, McLean, Virginia 22102-5090;

(2) By facsimile to (703) 893-2608; or

(3) By E-mail to foiaappeal@fca.gov.

(b) *FCA action on appeal.* Within 20 business days of receiving your appeal, the ORM Director will tell you, in writing, whether we have granted or denied it. If you send your appeal to the wrong address, the 20-day response time will not begin until the ORM Director receives your appeal.

(c) *Unusual circumstances.* In unusual circumstances, the ORM Director may extend the 20-day response time by telling you in writing why we need more time and the date we will mail you our response. All extensions, including any extension of the response time for the first request, may not total more than 10 business days.

EFFECTIVE DATE NOTE: At 70 FR 69645, Nov. 17, 2005, § 602.8 was amended by removing the words "Office of Resources Management (ORM)" and adding in their place, the words "Office of Management Services (OMS)" in

the second sentence of paragraph (a), and by removing the acronym “ORM” and adding in its place, the acronym “OMS” each place it appears in paragraphs (b) and (c), effective 30 days after publication in the FEDERAL REGISTER during which either one or both houses of Congress are in session.

§ 602.9 Current FOIA index.

FCA will make a current index available for public inspection and copying, as required by the FOIA. We will give you an index for the cost of copying it. Because we rarely receive requests for an index, we have not published one in the FEDERAL REGISTER.

Subpart C—FOIA Fees

§ 602.10 Definitions.

Commercial use request means an information request by an individual or entity seeking information for a use or purpose that furthers the commercial, trade, or profit interests of that individual or entity.

Direct costs means the costs FCA incurs in searching for and reproducing documents to respond to a FOIA request. For a commercial use request, it also means the costs we incur in reviewing documents to respond to the request. Direct costs include the prorated cost of the salary of the employee performing the work (based on the basic rate of pay plus 16 percent to cover benefits) and the cost of operating reproduction equipment. They do not include overhead expenses.

Educational institution means a preschool, a public or private elementary or secondary school, an institution of undergraduate or graduate higher education, an institution of professional education, or an institution of vocational education that runs a program of scholarly research.

Noncommercial scientific institution means a nonprofit institution that conducts scientific research that is not intended to promote any particular product or industry.

Pages mean 8-1/2 × 11 inch or 11 × 14 inch paper copies.

Representative of the news media means any person actively gathering news for an entity that publishes or broadcasts news to the public. *News* means information about current

events or of current interest to the public.

Reproduce (or reproduction) means copying a record.

Review means looking at documents found in response to a FOIA request to decide whether any portion should be withheld. It does not include the time spent resolving legal or policy issues.

Search means all time spent looking for material responsive to a FOIA request, including page-by-page or line-by-line identification of material within documents.

§ 602.11 Fees by type of requester.

Depending on your identity and the purpose of your request, the FCA may charge you the direct costs of searching for responsive records, reviewing the records, and reproducing them. If necessary, we will seek clarification before classifying the request.

(a) *Educational institutions and noncommercial scientific institutions.* We charge fees for reproduction costs only. The first 100 pages are free. You must show that the request is sanctioned by an educational or noncommercial scientific institution and that you seek the records for scholarly or scientific research, not for a commercial use.

(b) *Representatives of the news media.* We charge fees for reproduction costs only. The first 100 pages are free. You must be a representative of the news media, and the request must not be made for a commercial use. A request for records supporting news distribution is not a request for a commercial use.

(c) *Commercial use.* We charge the direct cost for search, review, and reproduction. Commercial use requesters are not entitled to free search time or free reproduction. We will charge you even if we do not disclose any records.

(d) *All others.* The first 2 hours of search time and the first 100 pages of reproduction are free. After that, we will charge you for search and reproduction costs. We will charge you for a search even if we do not disclose any records.

(e) *Fee table.* The fee information in paragraphs (a) through (d) of this section is presented in the table to this paragraph. You may apply for a waiver if your request is not mostly in your
