

National Credit Union Administration

§ 704.11

must occur no later than its next regularly scheduled board meeting.

[62 FR 12938, Mar. 19, 1997, as amended at 67 FR 65655, Oct. 25, 2002; 69 FR 39833, July 1, 2004]

§ 704.9 Liquidity management.

(a) *General.* In the management of liquidity, a corporate credit union must:

(1) Evaluate the potential liquidity needs of its membership in a variety of economic scenarios;

(2) Regularly monitor sources of internal and external liquidity;

(3) Demonstrate that the accounting classification of investment securities is consistent with its ability to meet potential liquidity demands; and

(4) Develop a contingency funding plan that addresses alternative funding strategies in successively deteriorating liquidity scenarios. The plan must:

(i) List all sources of liquidity, by category and amount, that are available to service an immediate outflow of funds in various liquidity scenarios;

(ii) Analyze the impact that potential changes in fair value will have on the disposition of assets in a variety of interest rate scenarios; and

(iii) Be reviewed by the board or an appropriate committee no less frequently than annually or as market or business conditions dictate.

(b) *Borrowing.* A corporate credit union may borrow up to 10 times capital or 50 percent of shares (excluding shares created by the use of member reverse repurchase agreements) and capital, whichever is greater. CLF borrowings and borrowed funds created by the use of member reverse repurchase agreements are excluded from this limit. The corporate credit union must demonstrate that sufficient contingent sources of liquidity remain available.

§ 704.10 Investment action plan.

(a) Any corporate credit union in possession of an investment, including a derivative, that fails to meet a requirement of this part must, within 30 calendar days of the failure, report the failed investment to its board of directors, supervisory committee and the OCCU Director. If the corporate credit union does not sell the failed investment, and the investment continues to fail to meet a requirement of this part,

the corporate credit union must, within 30 calendar days of the failure, provide to the OCCU Director a written action plan that addresses:

(1) The investment's characteristics and risks;

(2) The process to obtain and adequately evaluate the investment's market pricing, cash flows, and risk;

(3) How the investment fits into the credit union's asset and liability management strategy;

(4) The impact that either holding or selling the investment will have on the corporate credit union's earnings, liquidity, and capital in different interest rate environments; and

(5) The likelihood that the investment may again pass the requirements of this part.

(b) The OCCU Director may require, for safety and soundness reasons, a shorter time period for plan development than that set forth in paragraph (a) of this section.

(c) If the plan described in paragraph (a) of this section is not approved by the OCCU Director, the credit union must adhere to the OCCU Director's directed course of action.

[62 FR 12938, Mar. 19, 1997, as amended at 67 FR 65656, 65659, Oct. 25, 2002]

§ 704.11 Corporate Credit Union Service Organizations (Corporate CUSOs).

(a) A corporate CUSO is an entity that:

(1) Is at least partly owned by a corporate credit union;

(2) Primarily serves credit unions;

(3) Restricts its services to those related to the normal course of business of credit unions; and

(4) Is structured as a corporation, limited liability company, or limited partnership under state law.

(b) *Investment and loan limitations.* (1) The aggregate of all investments in member and nonmember corporate CUSOs must not exceed 15 percent of a corporate credit union's capital.

(2) The aggregate of all investments in and loans to member and nonmember corporate CUSOs must not exceed 30 percent of a corporate credit union's capital. A corporate credit union may lend to member and nonmember corporate CUSOs an additional
